## CIVIL SERVICE COMMISSION OF CANADA.

EXAMINATION FOR ENTRANCE TO THE ROYAL  
NAVAL COLLEGE OF CANADA.

**PUBLIC** Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 16th May, 1917, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held at the same time as the examination for entrance to the Royal Naval College. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 16th April, 1917. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

Ottawa, January 19, 1917.

#### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

SAML. E. ST. O. CHAPLEAU,

## ARRÊTÉS EN CONSEIL.

[85] HÔTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 13e jour de janvier 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

ATTENDU que le Ministre de la Marine et des Pêcheries et le Ministre des Travaux publics représentent qu'ils ont pris en considération la question de pouvoir à l'entretien la nuit de feux qui indiqueront les chenaux sous les arches des ponts fixes comme aides à la navigation sur les eaux navigables ;

Et attendu que l'article 233 de la *Loi des chemins de fer*, chapitre 37 des Statuts révisés du Canada prescrit qu'un plan et une description de l'emplacement proposé d'un pont de chemin de fer projeté (sauf un pont au-dessus d'un canal) et un plan général de l'ouvrage à construire doivent d'abord être soumis au Ministre des Travaux publics pour approbation ;

Et attendu que l'article 7 de la *Loi de la protection des eaux navigables*, chapitre 115 des Statuts révisés du Canada, contient une prescription semblable pour les ponts autres que les ponts de chemin de fer.

Et attendu que les ministres sont de l'avis des fonctionnaires des départements de la Marine et des Pêcheries et des Travaux publics que ces plans et descriptions ne doivent en aucun cas être approuvés à moins qu'ils n'indiquent la présence des feux requis pour la sûreté de la navigation.

Par conséquent il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes ce qui suit :—

Nul plan et nulle description d'un pont fixe au-dessus d'eaux navigables (sauf les canaux) qui d'après l'article 233 du chapitre 37 des Statuts révisés du Canada, ou par l'article 7 du chapitre 115 des Statuts révisés du Canada, doivent être soumis au Ministre des Travaux publics pour approbation, ne seront approuvés à moins que ce plan et cette description indiquent qu'il y a un feu blanc fixe de chaque côté de tout chenal de navigation passant sous un tel pont fixe. Ces feux, dont l'intensité lumineuse devra être approuvée par le Département de la Marine et des Pêcheries, seront entretenus par le propriétaire ou les propriétaires de tels ponts durant chaque nuit du coucher jusqu'au lever du soleil pendant toute la saison de navigation.

IL plaît à Son Excellence le Gouverneur en conseil de décréter que les règlements gouvernant l'octroi de licences et de permis annuels pour la coupe du bois sur les terres fédérales établis par un arrêté en conseil du 1er juillet 1898 et par arrêtés en conseil subséquents soient par les présentes modifiés en y ajoutant les articles suivants :—

1. Partout où un cours d'eau coule à travers, au-dessus, ou le long d'une coupe de bois quelconque ou a sa source dans une coupe ou se déverse dans un autre cours d'eau ou est tributaire d'un autre cours d'eau qui fournit ou peut fournir un approvisionnement d'eau domestique ou municipal ; ou si de l'avis du ministre la population d'un tel cours d'eau peut avoir un résultat délétère sur un approvisionnement d'eau municipal ou domestique quelconque, quiconque obtiendra tel permis de coupe de bois doit se conformer aux règlements suivants :

(a) Placer toute les bâtisses, dépendances, puisards, et autres constructions de ses chantiers à une distance suffisante de tous cours d'eau, lac ou autres sources d'eau, lac ou autres sources d'approvisionnement d'eau, pour prévenir la pollution de tout approvisionnement d'eau municipal ou domestique.

Mercredi, le 14e jour de décembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL  
EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 6 décembre 1916, représentant que M. John R. Welch, de Grenfell, Saskatchewan, a acheté à la vente à l'enchère de terrains d'école, à Broadview, en juin 1916, le quart nord-est de la section 29, township 16, rang 7, à l'ouest du 2e méridien, aujourd'hui consigné aux archives du département comme lui ayant été vendu.

Le Ministère de la Milice et de la Défense a depuis envoyé un communiqué représentant qu'il est nécessaire et d'intérêt public que le dit ministère obtienne possession du dit quart de section pour ses propres fins, vu que ce terrain est indispensable à l'établissement d'un champ de tir à cet endroit et ajoute qu'après négociations avec M. Welch, ce dernier consent à échanger le quart nord-est de la section 29 en question contre le quart sud-est de la même section si le ministère y consent.

Avant d'aller plus loin cependant, il a été décidé de faire l'inspection des deux quarts de section pour s'assurer de leur valeur respective.

L'inspecteur Evans a depuis fait rapport qu'il y a très peu de différence, s'il y en a, dans la valeur des deux quarts de section ; le quart nord-est, propriété de M. Welch, ayant probablement plus de valeur que l'autre. L'inspecteur ajoute que M. Welch est tout disposé à céder le dit quart nord-est pourvu qu'on lui accorde l'inscription du quart sud-est en retour.

Dans ces circonstances, et vu qu'il considère d'intérêt public que le ministère de la Milice et de la Défense puisse disposer du quart nord-est de la dite section pour les fins du champ de tir à cet endroit, le ministre recommande qu'on l'autorise à faire l'échange ainsi projeté et qui consiste à résilier l'inscription du quart nord-est à M. Welch et à lui accorder l'inscription du quart sud-est en retour et que le dit quart nord-est soit ensuite mis à la disposition du Département de la Milice et de la Défense pour les fins du champ de tir.

Le comité agréé cette recommandation et la soumet pour approbation.

Mardi, le 19e jour de décembre 1916.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 décembre 1916, représentant que sous l'empire des dispositions de la *Loi de l'Irrigation* l'autorisation a été accordée à la compagnie dite "The Southern Alberta Land Company, Limited," de construire un système d'irrigation dont l'eau serait tirée de la rivière Bow à un point dans le quart sud-est de la section 34, township 21, rang 25, à l'ouest du 4e méridien, et que sous l'empire de cette autorisation la dite compagnie a établi le tracé et partiellement construit un canal à partir du dit point jusqu'à et traversant la région qui devait être irriguée.

En vertu des pouvoirs conférés au Ministre de l'Intérieur en vertu de l'article 54 de la *Loi de l'Irrigation*, des règlements ont été établis dans le but d'accorder gratuitement le droit de passage pour les canaux et tranchées d'irrigation, ce droit de passage devant comprendre, outre la largeur du canal ou de la tranchée, une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté du dit canal ou de la dite tranchée, afin d'y donner accès pour l'exploitation et les réparations, les dits règlements pourvoyant aussi à la concession d'une plus grande largeur de terrain, mais n'excédant pas dix acres en tout, s'il était démontré que cette concession est nécessaire pour le bon fonctionnement du système d'irrigation ;

A cause des dimensions du canal que la compagnie construit, ainsi que la profondeur de l'excavation à certains points, et de la hauteur du remblai à d'autres endroits il a été jugé nécessaire en certains cas de permettre que le droit de passage comprenne une plus grande superficie afin de pouvoir disposer des déblais et offrir des facilités adéquates à l'entretien du système d'irrigation ;

Dans tous les cas mentionnés dans cette minute, où les terrains sont détenus par inscription de homestead ou de préemption, des emprises ont été données par les inscrits à la compagnie dite "The Southern Alberta Land Company, Limited," cédant le droit de passage du canal sur ces terrains ; ces emprises ont été enregistrées au Ministère de l'Intérieur. Le reste des terrains mentionnés sur lesquels la compagnie demande le droit de passage, appartiennent encore à la Couronne,—

Par conséquent, le Ministre demande l'autorisation d'accorder gratuitement, par permis d'occupation, à la compagnie dite "The Southern Alberta Land Company, Limited," le droit de passage pour ses canaux et tranchées sur les terrains ci-dessous décrits, mais n'excédant pas la superficie mentionnée dans chaque cas et conformément au plan du dit système d'irrigation déposé au bureau du Commissaire d'Irrigation à Calgary et au Ministère de l'Intérieur, et enregistré au bureau du registraire des titres de terres à Calgary, dans la province d'Alberta, ces concessions demeurant valides tant que les travaux ici mentionnés serviront aux fins d'irrigation ;

(1) Le quart nord-ouest de la section 19, township 14, rang 19, à l'ouest du 4e méridien, comprenant 13.6 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(2) Le quart sud-est de la section 19, township 14, rang 19, à l'ouest du 4e méridien, comprenant 13.51 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(3) Le quart sud-est de la section 30, township 14, rang 20, à l'ouest du 4e méridien, comprenant 27 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 361.

(4) Le quart sud-est de la section 25, township 14, rang 20, à l'ouest du 4e méridien, comprenant 10.14 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(5) Le quart nord-est de la section 27, township 14, rang 20, à l'ouest du 4e méridien, comprenant 14.84 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(6) Le quart sud-ouest de la section 25, township 14, rang 20, à l'ouest du 4e méridien, comprenant 16.79 acres, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(7) Les quart nord-ouest de la section 34, township 13, rang 17, à l'ouest du 4e méridien, comprenant 35.21 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 296.

(8) Le quart nord-est de la section 16, township 14, rang 8, à l'ouest du 4e méridien, comprenant 11.85 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

(9) Le quart sud-ouest de la section 6, township 14, rang 9, à l'ouest du 4e méridien, comprenant 10.84 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

(10) Le quart nord-est de la section 35, township 13, rang 10, à l'ouest du 4e méridien, comprenant 13.5 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

Attendu que l'agent local des terres fédérales et l'ingénieur divisionnaire hydrométrique de la Colombie-Anglaise ont fait un examen conjoint complet de la situation et font rapport que les terrains en question comprennent les sources du creek East Canoe qui fournissent à la ville son approvisionnement d'eau domestique, et que les dits terrains sont pierreux, montueux, en général impropres à l'agriculture et que la Couronne devrait les soustraire à toute aliénation qui pourrait altérer la pureté des eaux du creek, et

Attendu que la corporation de la ville de Salmon Arm a déjà obtenu du département provincial des droits hydrauliques à Victoria l'autorisation voulue pour la diversion et l'utilisation des eaux du creek East Canoe pour les fins domestiques et autres, et qu'elle a construit un aqueduc qui actuellement conduit l'eau jusqu'à la ville.

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que la partie du bassin d'alimentation du creek East Canoe nécessaire à la protection efficace des eaux du dit creek contre toute contamination soit soustraite aux inscriptions de homestead et à la vente ; et de plus que nul ne pourra en aucun temps se servir d'aucuns de ces terrains pour une entreprise quelconque sans obtenir au préalable une autorisation spéciale du Ministre de l'Intérieur ; et la concession de tous droits et privilèges sera sujette aux termes et conditions que la Ministre jugera nécessaires pour conserver la pureté de l'approvisionnement d'eau de la ville de Salmon Arm,—

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 décembre 1916, au sujet d'une demande reçue de la compagnie du chemin de fer dite "Kettle Valley Railway Company," pour un permis d'occupation de cette partie du lit de la rivière Fraser adjacente à la voie ferrée de la compagnie et de chaque côté de cette voie, cette partie du lit de la rivière étant requise pour l'emplacement d'un pont, et pouvant être décrite comme suit :

"Le terrain submergé situé dans la section 16, township 5, rang 26, à l'ouest du 6e méridien, dans la province de la Colombie-Britannique, et qui peut être décrit plus minutieusement comme suit :—

"Borné à l'est et à l'ouest par les marques ordinaires de l'eau haute sur les rives gauche et droite respectivement de la rivière Fraser, et au nord et au sud par des lignes parallèles à la ligne de centre de la voie du chemin de fer de Kettle Valley et qui en sont éloignées perpendiculairement de 50 pieds de chaque côté, ce terrain contenant 1-83 acres, plus ou moins, le tout conforme au plan de la chaussée de la voie ferrée, pour l'emplacement d'un pont du chemin de fer Kettle Valley, approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, et daté à Ottawa le 3e jour d'août 1915, et dont copie est annexée."

Le Ministre représente que l'emplacement et les plans des travaux soumis par la compagnie ont été approuvés par le Département des Travaux Publics conformément aux dispositions de la *Loi de la protection des eaux navigables*, chapitre 115 des Statuts révisés du Canada, 1906, modifiée par le chapitre 44, 9 10 Edouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent le Ministre demande l'autorisation d'émettre en faveur de la compagnie dite "Kettle Valley Railway Company" un permis d'occupation pour la partie du lit de la rivière Fraser qui est décrite ci-dessus, le dit permis devant être pour telle période que la compagnie peut demander en rapport avec l'exploitation de son chemin de fer ; un loyer annuel de \$1.00 sera payé au Département de l'Intérieur.

Morton a obtenu une inscription de homestead pour le quart sud-ouest de la section 4, township 9, rang 14, à l'ouest du 2e méridien, et que cette inscription a été subseqüemment annulée après qu'il eût été prouvé que l'inscrit ne remplissait pas dûment ses obligations de résidence.

Le Ministre ajoute que par un arrêté en conseil daté le 4 mars 1910, le quart de section ci-dessus décrit été mis en réserve pour le fonds des terres des écoles.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, d'établir les règlements suivants concernant l'administration des "Prairies hautes"; lesquels règlements devront s'appliquer aux réserves forestières dans les limites de la zone des chemins de fer de la province de la Colombie-Britannique, et ces règlements sont, par ces présentes établis en conséquence.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

RÈGLEMENTS concernant les "Prairies hautes" dans les réserves forestières fédérales, dans la zone des chemins de fer de la Colombie-Britannique.

Les "Prairies hautes" sont des prairies d'accès difficile dans les réserves forestières, d'où il est impossible de voiturier le foin, de sorte que le seul usage qu'on peut en faire est pour le pâturage du bétail sur place.

Un "Fermier de bétail" est une personne ou compagnie qui a pris à bail pour exploitation pendant un terme d'années un ranch ou une ferme et ses accessoires, y compris le bétail, soit à loyer fixe, soit pour une part des profits, avec garantie de remettre au propriétaire à la conclusion du bail une quantité équivalente de bétail ou sa valeur en argent.

1. Il peut être accordé, sujet aux conditions ci-après mentionnées, à toute personne qui est un sujet britannique un permis pour l'exploitation exclusive pour un terme de cinq ans d'une prairie haute ou, s'il s'agit de prairies de peu d'étendue, d'un nombre quelconque de prairies dont l'étendue totale, telle que déterminée par la méthode expliquée à l'article 13 ci-après, n'excède pas cent acres.

2. Toute prairie haute pour laquelle il aura été fait une demande de permis d'exploitation doit être arpentée par bornes et limites par un fonctionnaire de l'administration forestière. Un plan du dit arpentage sera déposé au bureau du surintendant des réserves forestières et tout permis accordé doit se conformer au nombre d'acres indiqué sur le dit plan.

3. (a) Les demandes de permis d'exploitation de prairies hautes et doivent être classées comme suit et considérées dans l'ordre de priorité suivante :

Classe 1. Demandes de la part de propriétaires *bona fide* d'un ranch ou de terrains agricoles, qui désirent adjoindre des prairies hautes à leur ranch ou à leur ferme.

Classe 2. Demandes de la part de personnes qui ne pas sont propriétaires de ranch ou de terrains agricoles auxquels elles désirent adjoindre des prairies hautes pour l'élevage, mais qui demandent des prairies hautes pour exploiter le bétail comme industrie indépendante.

(b) Aucune demande de la classe 2 ne doit être prise en considération avant que ne soient accordées toutes les demandes de la classe 1.

4. S'il est présenté à la fois plus d'une demande de la même classe pour une prairie pour laquelle aucun permis n'est encore accordé, le fonctionnaire de l'administration forestière peut, avec le consentement des requérants, faire un partage de la prairie; si les requérants ne peuvent s'accorder, il mettra la prairie à l'enchère à une mise à prix pour chaque acre telle que fixée à l'article 11, des présents règlements.

5. Le concessionnaire doit faire, à la satisfaction du fonctionnaire préposé à l'administration de la réserve, toutes les améliorations nécessaires pour mettre la prairie en état de fournir un maximum de pâturage.

6. Seul le bétail dont le concessionnaire est de bonne foi le propriétaire ou le fermier, peut être mis en pâturage dans une prairie haute.

7. Un concessionnaire peut utiliser une prairie haute pour l'une des fins suivantes :

1. Y récolter du foin pour l'usage du bétail l'hiver suivant.
2. Y mettre du bétail en pâturage l'été.
3. Mettre une partie en foin et le reste en pâturage.

8. Le nombre de bestiaux en pâturage chaque année dans une prairie haute doit être au moins le suivant :—

1. Pour les trois premières années de la durée du permis :—

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque deux acres de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par chaque deux acres de prairie sous concession.

2. Pour la quatrième et la cinquième année de la durée du permis, ou durant son extension en vertu de l'article 10 des présents règlements :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque acre de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par acre de prairie sous concession.

9. Tout concessionnaire doit, avant le premier mai chaque année, fournir au fonctionnaire préposé à l'administration de la réserve une déclaration sous serment de l'usage qu'il a fait au cours des douze mois précédents de la prairie haute à lui cédée. La déclaration contenir :

1. Le nombre des bestiaux en pâturage ;
2. Le temps de leur pâturage ;
3. La quantité de foin récolté ;
4. La quantité de foin servi au bétail ;
5. Les améliorations faites.

10. A tout concessionnaire qui s'est conformé aux dispositifs des présents règlements peuvent être accordées trois extensions du dit permis pour des périodes additionnelles de cinq années, pourvu qu'il en fasse la demande au moins six mois avant l'expiration du dit permis ou de son extension; et la dite demande aura la préférence sur toute autre demande de permis pour les mêmes terrains en vertu des présents règlements.

11. Les prix exigibles pour les concessions de prairies hautes sont les suivants : Permis original—cinq cents l'acre par année. Première extension—dix cents l'acre par année. Deuxième et troisième extensions—quinze cents l'acre par année.

12. Les concessions de prairies hautes ne peuvent être ou transférées ou cédées sans le consentement du ministre et nulle personne ou compagnie a droit à plus d'un permis à la fois.

13. Si le ministre consent au transfert d'une concession, le permis doit être retourné au ministère, qui émettra un nouveau permis au nom du concessionnaire pour le reste de la période comprise dans le permis original et aux mêmes conditions.

14. Lors de l'annulation d'un permis, ou si le concessionnaire ne désire ou ne peut obtenir une extension, un concessionnaire subséquent d'une prairie haute améliorée doit payer les redevances que le premier concessionnaire aurait eu à acquitter s'il eut continué en possession.

15. Le concessionnaire, pendant la durée de son permis, doit maintenir en bon état, à la satisfaction du fonctionnaire de l'administration forestière, toute clôture déjà érigée.

16. Quiconque désire couper du bois sur la dite réserve forestière pour y effectuer des améliorations doit en obtenir l'autorisation sujet aux conditions et aux redevances mentionnées dans les règlements concernant les réserves forestières.

17. Tout commissaire est tenu responsable de tous les feux occasionnés directement ou indirectement par son action personnelle ou celle d'un de ses serviteurs, employés ou agents, sur tout terrain dans les limites d'une réserve forestière pour laquelle le dit commissaire détient un permis; et tous les dits employés doivent donner gratuitement leurs services en tout temps si un feu se déclare ou menace le terrain ou les améliorations du concessionnaire. Toute négligence de la part du concessionnaire pouvant occasionner un feu est une raison suffisante pour l'annulation de son permis.

18. On peut obtenir un pâturage d'été pour le bétail hiverné dans une prairie haute aux conditions mentionnées dans les règlements concernant les pâturages. Le concessionnaire d'une prairie haute a les mêmes droits que ceux qui font une demande de concession de pâturage sous la classe 1, telle que définie dans l'article 39 des règlements concernant les réserves forestières, établis par un arrêté en conseil du 20 avril 1916. 31-4

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 9 décembre 1916, représentant que M. T. J. Kelly, du lac des Ours, dans la province de l'Alberta, désire faire l'acquisition d'un quart de section de terres fédérales dans le district de la rivière à la Paix pour y établir domicile avec ses enfants et qu'il ne peut obtenir une inscription de homestead, son droit à une concession de homestead étant épuisé.

Le Ministre affirme qu'il n'y a pas de terres disponibles pour l'inscription d'achat de homestead dans le district de la rivière à la Paix, vu que ce district est situé en dehors des limites des homesteads sujets à achat, et considérant que M. Kelly est maintenant établi dans le dit district de la rivière à la Paix avec un outillage considérable d'instruments aratoires et de chevaux, il est d'avis que la dite demande soit accordée.

A ces causes le Ministre recommande l'autorisation de louer à M. Kelly, pour un terme de trois années, un quart de section de terres fédérales maintenant disponible, à un loyer annuel de deux cents l'acre, payable à l'avance, ce loyer étant le prix exigé pour la location de terrains pour fins de pâturage.

Le comité agréé cette recommandation et la soumet pour approbation.

**SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.**

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 18 décembre 1916, représentant que Angus Thompson, sous l'empire d'une patente accordée pour service militaire en 1885, détient la moitié nord de la section 6, township 73, rang 8, à l'ouest du 6e méridien.

Le 15 mai 1916 un arrêté en conseil a été passé relevant M. Thompson de ses obligations de résidence, en vue du fait qu'un certificat médical avaient été soumis représentant qu'il souffrait de tuberculose grave des poumons, et autorisant la concession au dit Thompson de la patente dès que serait fournie la preuve que les autres conditions de l'inscription avaient été remplies. M. Thompson représente maintenant qu'à moins d'un séjour dans un climat plus chaud il ne pourra survivre aux rigueurs du prochain hiver.

En considération des faits précités, le Ministre demande l'autorisation, sous l'empire du paragraphe (l) de l'article 76 de la *Loi des terres fédérales*, chapitre 20, 7-8 Édouard VII, de vendre à M. Thompson la moitié nord de la section 6, township 73, rang 8, à l'ouest du 6e méridien, au prix de \$1 l'acre, et de lui concéder la patente de ce terrain dès que les paiements requis auront été faits.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

**SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL  
EN CONSEIL.**

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 janvier 1917, représentant que Moses Lessard, de Ashcroft, Colombie-Britannique, a demandé d'acheter aux conditions régissant l'irrigation la moitié nord fractionnaire de la section 34, township 19, rang 24, à l'ouest du 6e méridien, contenant approximativement 250 acres, occupée par le requérant depuis octobre 1913, avant que l'arpentage en fut fait ;

Le Ministre représente de plus qu'un ingénieur du service des levés hydrographiques s'est enquis du cas et a fait rapport que le requérant avait fait nombre d'améliorations sur le terrain et qu'il s'y trouvait suffisamment de terre propre à la culture pour justifier l'irrigation, et que le représentant pourrait effectuer lui-même l'irrigation du terrain ;

Par conséquent, le Ministre recommande qu'il soit permis au requérant, Moses Lessard, d'acheter les parties de la moitié nord de la section 34, township 19, rang 24, à l'ouest du 6e méridien, qu'il peut réellement irriguer et cultiver, aux conditions suivantes :

(a) Les terrains vendus doivent être mis en culture par irrigation.

(b) Le prix d'achat est de \$5.00, sujet à une déduction du prix de revient des travaux d'irrigation jusqu'à un montant n'excédant pas \$2.00 l'acre, et le montant ainsi mis à ce compte sera considéré un paiement en argent fait à la date même de la vente. Le prix d'achat est payable comme suit : Un dollar l'acre (\$1.00) dans la première année de la date de l'autorisation de la vente par le Gouverneur en conseil ; la balance dans les trois ans de la date de cette autorisation ou dès qu'auront été remplis avant l'expiration de ces trois ans toutes les autres conditions de la vente, avec intérêt à 5% par année.

(c) Les droits hydrauliques nécessaires doivent être garantis par le gouvernement provincial de la Colombie-Britannique. Aucuns travaux ne seront exécutés

sur le terrain avant que la province n'ait antérieurement garanti les droits hydrauliques.

(d) Les travaux doivent être commencés dans l'année de la date de l'autorisation de la vente par arrêté du conseil, et ils doivent être parachevés à la satisfaction du Ministre de l'Intérieur dans les trois ans de cette date, à moins que les autorités provinciales ne fixent d'autres dates en rapport avec la concession de ces droits hydrauliques ; dans ce cas, les dates fixées par les autorités provinciales peuvent être acceptées si elles sont approuvées par le Ministre de l'Intérieur.

(e) Les ingénieurs du Département de l'Intérieur feront l'examen des travaux dès qu'ils seront parachevés.

(f) La patente sera délivrée dès que les conditions auront été remplies pour les parties des terrains concédés qui auront été mis en culture par irrigation.

(g) La vente sera résiliée pour non-paiement du prix d'achat ou pour négligence de se conformer à une des conditions quelconque de la vente.

(h) Ni transfert ni cession des terrains concédés ou de droits quelconques qui s'y rapportent ne peuvent être faits avant l'émission de la patente sans le consentement du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

## AVIS DU GOUVERNEMENT.

## COMMISSION DU SERVICE CIVIL DU CANADA.

EXAMEN D'ENTRÉE AU COLLÈGE NAVAL ROYAL  
DU CANADA.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 16 mai 1917, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédéricton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus au même temps que l'examen d'entrée au collège naval royal. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 16 avril 1917. Cette règle est de rigueur.

Par ordre de la Commission,

WM. FORAN,  
Secrétaire.

Ottawa, 19 janvier 1917.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- |  |          |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....      | 100 00   |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00   |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000.....                          | 100 00   |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00   |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00   |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00   |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000.....                      | 400 00   |
| (i) Pour chaque million ou fraction de million de dollars additionnel....  | 100 00   |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal*.—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. *Une compagnie de télégraphe ou de téléphone*.—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers. — Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques. — Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal. — Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie. — Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examinateur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## SENAT.

*Avis de bills privés.*

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

**W**HEREAS a request has been received from the Department of Indian Affairs, for the setting apart for the Indians under the terms of treaty No. 2, of a tract of land known as Dog Creek Indian Reserve No. 46, in Townships 21, 22 and 23 in Range 8 and Townships 22 and 23 in Range 9 west of the principal meridian, in the province of Manitoba, comprising an area of nine thousand four hundred and twenty-seven acres ;

And whereas the lands applied for are available according to the records of the Department of the Interior for the purpose aforesaid, and the Minister of the Interior recommends that the said request be granted ;

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of section 76 of The Dominion Lands Act, is pleased to withdraw the following described lands from the operation of the said Act, and the said lands are hereby withdrawn and set apart for the Indians accordingly :—

All those portions of townships 21, 22, and 23 in Range 8 and Townships 22 and 23 in Range 9 west of the Principal Meridian, in the Province of Manitoba, shown outlined in red on the accompanying plan, containing by admeasurement nine thousand, four hundred and twenty-seven acres, more or less.

**T**HE Committee of the Privy Council have had before them a report, dated 26th December, 1916, from the Minister of the Interior, submitting that, in pursuance of the provisions of The Dominion Lands Act, title to section 8, Township 5, Range 28, west of the 4th Meridian, was vested in the Hudson's Bay Company by notification of the confirmation of the survey of the township.

The Minister states that—as there is some doubt whether such notification was effective in passing the title to the said Company, as was intended, of those portions of the said section 8 as are covered by the waters of a certain surveyed lake,—the Commissioner of the Hudson's Bay Company has applied for the issue of a supplementary grant to the Company, by letters patent of the lands in the east half of said section 8 shown on the plan of survey as covered by the waters of the surveyed lake.

The Minister is of the opinion that the request should be complied with, and he therefore recommends that the issue of letters patent be authorized to the Hudson's Bay Company of all those portions of the east half of Section 8, Township 5, Range 28, west of the 4th Meridian as are covered by the waters of a certain surveyed lake, as shown upon a plan of survey of the said township, approved and confirmed at Ottawa on the 1st day of March, A.D. 1888, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement twenty-seven acres more or less.

The Committee concur in the foregoing recommendation and submit the same for approval.

**T**HE Committee of the Privy Council have had before them a report, dated 2nd January, 1917, from the Minister of the Interior, stating that John F. Morton was granted homestead entry for the South West quarter of Section 4, Township 9, Range 14, West of the 2nd Meridian on the 24th of September, 1898, and that subsequently such entry was cancelled, on evidence being submitted that the requisite settlement duties were not being properly performed ;

The Minister further states that by Order in Council dated the 4th of March, 1910, the quarter-section described was set apart for the School Lands Endowment.

It is now represented that John F. Morton, the former entrant, has been living upon this land for some years and has complied with the requirements of the Dominion Lands Act with respect to residence and cultivation ;

The Minister recommends, in view of all the circumstances, that the Order in Council of the 4th of March, 1910, be rescinded, so that the quarter-section above described may be again available for homestead purposes ;

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that by an Order in Council, dated the 11th of March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act.

That in November, 1913, the available petroleum and natural gas rights, the property of the Crown, in portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13 west of the 4th Meridian, containing an approximate area of 55,620 acres, were temporarily withdrawn from disposal under the provisions of the above regulations at the request of the City of Edmonton, in order to secure for that municipality a sufficient supply of natural gas for the use of the people.

That it has now been represented to the Department of the Interior that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to or diverted by outside interests; that the city, while not desiring to exploit the said rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for its domestic supply, and for the extension and development of its several industries.

Representations have also been made to the Department of the Interior that a very large expenditure has already been incurred in boring for natural gas within this reservation; that gas in commercial quantity has been discovered; and that action is now being taken to pipe the gas to the City of Edmonton, a distance of about eighty-five miles, to be utilized by and on behalf of that municipality.

As it would appear to be in the public interest that the petroleum and natural gas rights, the property of the Crown, within the limits of the reservation above referred to, should be conserved for the use of the City of Edmonton, the Minister recommends that he be authorized to withdraw for the present from disposal the available petroleum and natural gas rights within the tract, comprising portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13, west of the 4th Initial Meridian, shown outlined in *pink* on the plan hereto attached, upon the following terms and conditions:

1. That the withdrawal at the instance of the City of Edmonton of the petroleum and natural gas rights, the property of the Crown, in the above area, shall not apply to lands which have been set apart as School lands in accordance with the provisions of the Dominion Lands Act;
2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown of other mining rights under these lands;
3. That the City of Edmonton be required to immediately obtain a lease under and in accordance with the provisions of the regulations of each quarter section within the reservation upon which a well has been bored by on behalf of the municipality with a view to the discovery of petroleum or natural gas;
4. That the City of Edmonton, before commencing in the future boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf;
5. That upon receipt in the Department of the Interior of advice from the municipal council of the City of Edmonton that any parcel of land within

the limits of the reservation is no longer required for municipal purposes, the Minister of the Interior may declare that the rights so relinquished are withdrawn from the reservation, and are open to application under and in accordance with the provisions of the regulations and the practice of the Department;

6. That the City of Edmonton shall be given a period of two years from the date hereof, within which to select and obtain leases under the provisions of the regulations of the available petroleum and natural gas rights within the limits of the above reservation, and at the expiration of the said period of two years the reservation will terminate, and any petroleum and natural gas rights within the limits of such reservation which have not in the meantime been selected and leased shall revert to the Crown for disposal under and in accordance with the provisions of the regulations in that behalf.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 23rd December, 1916, from the Minister of the Interior, submitting, with reference to an application received from the Kettle Valley Railway Company for a license of occupation of that portion of the Fraser river, adjacent to the company's right-of-way on either side thereof, which is required for a bridge site, and which is described as follows:—

"That certain parcel or tract of land and land covered by water situate in section sixteen in the fifth Township, in the twenty-sixth Range, west of the sixth Meridian, in the Province of British Columbia, and which may be more particularly described as follows:

"Bounded on the east and west by the ordinary high water marks on the left and right shores respectively of the Fraser River, and on the north and south by lines parallel to and perpendicularly distant fifty feet on opposite sides of the centre line of the right-of-way of the Kettle Valley Railway, the said parcel containing by admeasurement one acre more or less, all according to the plan of the right-of-way for a bridge site of the Kettle Valley Railway approved and confirmed by E. Deville, Surveyor General of Dominion Lands and dated at Ottawa on the third day of August, one thousand nine hundred and fifteen, a copy of which is hereto attached."

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of The Navigable Waters Protection Act, chapter 115, R.S., 1906, amended by chapter 44, 9-10 Edward VII., and that blue prints of these plans have been filed in the Department of the Interior.

The Minister, therefore, recommends that he be authorized to issue in favour of the said Kettle Valley Railway Company, a license of occupation for that portion of the bed of the Fraser river which is described above, the said license to be for such time as the company may require the same in connection with the operation of the railway and for which annual rental of \$1.00 shall be paid to the Department of the Interior.

The Committee concur in the foregoing and submit the same for approval.

**T**HE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that an application has been received from Moses Lessard, of Ashcroft, British Columbia, to purchase on irrigation conditions the fractional north half of Section 34, in Township 19, Range 24, west of the 6th Meridian, (containing approximately 250 acres), of which the applicant went into occupation in October, 1913, before the survey thereof ;

The Minister further states that the case was inspected by an engineer of the Hydrographic Survey Office, who reported that the applicant had made a good many improvements to the land, and that there was sufficient cultivable land to justify irrigation and that arrigation of the land could be effected by the applicant—

The Minister therefore recommends that the applicant, Moses Lessard, be permitted to purchase those portions of the north half of Section 34, in Township 19, Range 24, west of the sixth Meridian, which may be successfully irrigated and cultivated by him in a *bona fide* manner, on the following terms and conditions :

- (b) The purchase price to be at the rate of five dollars (\$5) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding two dollars (\$2) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows : One dollar (\$1) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum ;
- (c) The necessary water rights to be secured from the Provincial Government of British Columbia ; no work to be done on the land until preliminary water rights are secured from the province ;
- (d) The work to be commenced within one year from the date of the authorization by Order in Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior ;
- (e) Examination to be made by engineers of the Department of the Interior on completion of the work ;
- (f) Patent to issue, when conditions completed, for the portions which have been brought under cultivation by irrigation ;
- (g) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.
- (h) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS the Minister of Marine and Fisheries and the Minister of Public Works submit that they have had under consideration the question of providing for the maintenance at night of lights to mark the channels to be used under fixed bridge spans over navigable waters as aids to navigation ;

And whereas in section 233 of The Railway Act, chapter 37, Revised Statutes of Canada, it is prescribed that a plan and description of the proposed site of any contemplated railway bridge (not being a bridge over a canal) and a general plan of the work to be constructed must first be submitted to the Minister of Public Works for approval ;

And whereas in section 7 of The Navigable Waters Protection Act, chapter 115, Revised Statutes of Canada, a like provision is made for bridges other than railway bridges ;

And whereas the Ministers concur in the recommendation of the Officers of the Departments of Marine and Fisheries and of Public Works that in either case such plans and descriptions be not approved unless and until they show and indicate the presence of such lights as are deemed necessary for the safety of navigation ;

Therefore His Excellency the Governor General in Council is pleased to order and it is hereby ordered as follows :—

No plan and description of a fixed bridge over navigable waters (not a canal) required by section 233 of chapter 37, Revised Statutes of Canada, or by section 7 of chapter 115, Revised Statutes of Canada, to be submitted to the Minister of Public Works for approval, shall be approved unless and until such plan and description show and indicate a fixed white light on each side of every channel to be navigated through such fixed bridge ; such lights, of an intensity to be approved by the Department of Marine and Fisheries, to be maintained by the owner or owners of such bridge during each and every night from sundown until sunrise during the entire season of navigation.

## CIVIL SERVICE COMMISSION OF CANADA.

EXAMINATION FOR ENTRANCE TO THE ROYAL  
NAVAL COLLEGE OF CANADA.

**PUBLIC** Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 16th May, 1917, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held at the same time as the examination for entrance to the Royal Naval College. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 16th April, 1917. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 2 janvier 1917, représentant que le 24 septembre 1898, John F. Morton a obtenu une inscription de homestead pour le quart sud-ouest de la section 4, township 9, rang 14, à l'ouest du 2e méridien, et que cette inscription a été subseqüemment annulée après qu'il eût été prouvé que l'inscrit ne remplissait pas dûment ses obligations de résidence.

Mardi, le 19e jour de décembre 1916.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, d'établir les règlements suivants concernant l'administration des "Prairies hautes"; lesquels règlements devront s'appliquer aux réserves forestières dans les limites de la zone des chemins de fer de la province de la Colombie-Britannique, et ces règlements sont par ces présentes établis en conséquence.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

## RÈGLEMENTS concernant les "Prairies hautes" dans les réserves forestières fédérales, dans la zone des chemins de fer de la Colombie-Britannique.

Les "Prairies hautes" sont des prairies d'accès difficile dans les réserves forestières, d'où il est impossible de voiturier le foin, de sorte que le seul usage qu'on peut en faire est pour le pâturage du bétail sur place.

Un "Fermier de bétail" est une personne ou compagnie qui a pris à bail pour exploitation pendant un terme d'années un ranch ou une ferme et ses accessoires, y compris le bétail, soit à loyer fixe, soit pour une part des profits, avec garantie de remettre au propriétaire à la conclusion du bail une quantité équivalente de bétail ou sa valeur en argent.

1. Il peut être accordé, sujet aux conditions ci-après mentionnées, à toute personne qui est un sujet britannique un permis pour l'exploitation exclusive pour un terme de cinq ans d'une prairie haute ou, s'il s'agit de prairies de peu d'étendue, d'un nombre quelconque de prairies dont l'étendue totale, telle que déterminée par la méthode expliquée à l'article 13 ci-après, n'excède pas cent acres.

2. Toute prairie haute pour laquelle il aura été fait une demande de permis d'exploitation doit être arpentée par bornes et limites par un fonctionnaire de l'administration forestière. Un plan du dit arpentage sera déposé au bureau du surintendant des réserves forestières et tout permis accordé doit se conformer au nombre d'acres indiqué sur le dit plan.

3. (a) Les demandes de permis d'exploitation de prairies hautes et doivent être classées comme suit et considérées dans l'ordre de priorité suivante :

Classe 1. Demandes de la part de propriétaires *bona fide* d'un ranch ou de terrains agricoles, qui désirent adjoindre des prairies hautes à leur ranch ou à leur ferme.

Classe 2. Demandes de la part de personnes qui ne pas sont propriétaires de ranch ou de terrains agricoles auxquels elles désirent adjoindre des prairies hautes pour l'élevage, mais qui demandent des prairies hautes pour exploiter le bétail comme industrie indépendante.

(b) Aucune demande de la classe 2 ne doit être prise en considération avant que ne soient accordées toutes les demandes de la classe 1.

4. S'il est présenté à la fois plus d'une demande de la même classe pour une prairie pour laquelle aucun permis n'est encore accordé, le fonctionnaire de l'administration forestière peut, avec le consentement des requérants, faire un partage de la prairie ; si les requérants ne peuvent s'accorder, il mettra la prairie à l'enchère à une mise à prix pour chaque acre telle que fixée à l'article 11, des présents règlements.

5. Le concessionnaire doit faire, à la satisfaction du fonctionnaire préposé à l'administration de la réserve, toutes les améliorations nécessaires pour mettre la prairie en état de fournir un maximum de pâturage.

6. Seul le bétail dont le concessionnaire est de bonne foi le propriétaire ou le fermier, peut être mis en pâturage dans une prairie haute.

7. Un concessionnaire peut utiliser une prairie haute pour l'une des fins suivantes :

1. Y récolter du foin pour l'usage du bétail l'hiver suivant.
2. Y mettre du bétail en pâturage l'été.
3. Mettre une partie en foin et le reste en pâturage.

8. Le nombre de bestiaux en pâturage chaque année dans une prairie haute doit être au moins le suivant :—

1. Pour les trois premières années de la durée du permis :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque deux acres de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par chaque deux acres de prairie sous concession.

2. Pour la quatrième et la cinquième année de la durée du permis, ou durant son extension en vertu de l'article 10 des présents règlements :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque acre de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par acre de prairie sous concession.

9. Tout concessionnaire doit, avant le premier mai chaque année, fournir au fonctionnaire préposé à l'administration de la réserve une déclaration sous serment de l'usage qu'il a fait au cours des douze mois précédents de la prairie haute à lui cédée. La déclaration contenir :

1. Le nombre des bestiaux en pâturage ;
2. Le temps de leur pâturage ;
3. La quantité de foin récolté ;
4. La quantité de foin servi au bétail ;
5. Les améliorations faites.

10. A tout concessionnaire qui s'est conformé aux dispositifs des présents règlements peuvent être accordées trois extensions du dit permis pour des périodes additionnelles de cinq années, pourvu qu'il en fasse la demande au moins six mois avant l'expiration du dit permis ou de son extension ; et la dite demande aura la préférence sur toute autre demande de permis pour les mêmes terrains en vertu des présents règlements.

11. Les prix exigibles pour les concessions de prairies hautes sont les suivants : Permis original—cinq cents l'acre par année. Première extension—dix cents l'acre par année. Deuxième et troisième extensions—quinze cents l'acre par année.

12. Les concessions de prairies hautes ne peuvent être ou transférées ou cédées sans le consentement du ministre et nulle personne ou compagnie a droit à plus d'un permis à la fois.

13. Si le ministre consent au transfert d'une concession, le permis doit être retourné au ministère, qui émettra un nouveau permis au nom du concessionnaire pour le reste de la période comprise dans le permis original et aux mêmes conditions.

14. Lors de l'annulation d'un permis, ou si le concessionnaire ne désire ou ne peut obtenir une extension, un concessionnaire subséquent d'une prairie haute améliorée doit payer les redevances que le premier concessionnaire aurait eu à acquitter s'il eut continué en possession.

15. Le concessionnaire, pendant la durée de son permis, doit maintenir en bon état, à la satisfaction du fonctionnaire de l'administration forestière, toute clôture déjà érigée.

16. Quiconque désire couper du bois sur la dite réserve forestière pour y effectuer des améliorations doit en obtenir l'autorisation sujet aux conditions et aux redevances mentionnées dans les règlements concernant les réserves forestières.

17. Tout commissaire est tenu responsable de tous les feux occasionnés directement ou indirectement par son action personnelle ou celle d'un de ses serviteurs, employés ou agents, sur tout terrain dans les limites d'une réserve forestière pour laquelle le dit commissaire détient un permis ; et tous les dits employés doivent donner gratuitement leurs services en tout temps si un feu se déclare ou menace le terrain ou les améliorations du concessionnaire. Toute négligence de la part du concessionnaire pouvant occasionner un feu est une raison suffisante pour l'annulation de son permis.

18. On peut obtenir un pâturage d'été pour le bétail hiverné dans une prairie haute aux conditions mentionnées dans les règlements concernant les pâturages. Le concessionnaire d'une prairie haute a les mêmes droits que ceux qui font une demande de concession de pâturage sous la classe 1, telle que définie dans l'article 39 des règlements concernant les réserves forestières, établis par un arrêté en conseil du 20 avril 1916. 31-4

Mardi, le 19e jour de décembre 1916.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 décembre 1916, représentant que sous l'empire des dispositions de la *Loi de l'Irrigation* l'autorisation a été accordée à la compagnie dite "The Southern Alberta Land Company, Limited," de construire un système d'irrigation dont l'eau serait tirée de la rivière Bow à un point dans le quart sud-est de la section 34, township 21, rang 25, à l'ouest du 4e méridien, et que sous l'empire de cette autorisation la dite compagnie a établi le tracé et partiellement construit un canal à partir du dit point jusqu'à et traversant la région qui devait être irriguée.

En vertu des pouvoirs conférés au Ministre de l'Intérieur en vertu de l'article 54 de la *Loi de l'Irrigation*, des règlements ont été établis dans le but d'accorder gratuitement le droit de passage pour les canaux et tranchées d'irrigation, ce droit de passage devant comprendre, outre la largeur du canal ou de la tranchée, une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté du dit canal ou de la dite tranchée, afin d'y donner accès pour l'exploitation et les réparations, les dits règlements pourvoyant aussi à la concession d'une plus grande largeur de terrain, mais n'excédant pas dix acres en tout, s'il était démontré que cette concession est nécessaire pour le bon fonctionnement du système d'irrigation ;

A cause des dimensions du canal que la compagnie construit, ainsi que la profondeur de l'excavation à certains points, et de la hauteur du remblai à d'autres endroits il a été jugé nécessaire en certains cas de permettre que le droit de passage comprenne une plus grande superficie afin de pouvoir disposer des déblais et offrir des facilités adéquates à l'entretien du système d'irrigation ;

Dans tous les cas mentionnés dans cette minute, où les terrains sont détenus par inscription de homestead ou de préemption, des emprises ont été données par les inscrits à la compagnie dite "The Southern Alberta Land Company, Limited," cédant le droit de passage du canal sur ces terrains ; ces emprises ont été enregistrées au Ministère de l'Intérieur. Le reste des terrains mentionnés sur lesquels la compagnie demande le droit de passage, appartiennent encore à la Couronne.

Par conséquent, le Ministre demande l'autorisation d'accorder gratuitement, par permis d'occupation, à la compagnie dite "The Southern Alberta Land Company, Limited," le droit de passage pour ses canaux et tranchées sur les terrains ci-dessous décrits, mais n'excédant pas la superficie mentionnée dans chaque cas et conformément au plan du dit système d'irrigation déposé au bureau du Commissaire d'Irrigation à Calgary et au Ministère de l'Intérieur, et enregistré au bureau du registraire des titres de terres à Calgary, dans la province d'Alberta, ces concessions demeurant valides tant que les travaux ici mentionnés serviront aux fins d'irrigation ;

(1) Le quart nord-ouest de la section 19, township 14, rang 19, à l'ouest du 4e méridien, comprenant 13.6 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(2) Le quart sud-est de la section 19, township 14, rang 19, à l'ouest du 4e méridien, comprenant 13.51 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(3) Le quart sud-est de la section 30, township 14, rang 20, à l'ouest du 4e méridien, comprenant 27 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 361.

(4) Le quart sud-est de la section 25, township 14, rang 20, à l'ouest du 4e méridien, comprenant 10.14 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(5) Le quart nord-est de la section 27, township 14, rang 20, à l'ouest du 4e méridien, comprenant 14.84

acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(6) Le quart sud-ouest de la section 25, township 14, rang 20, à l'ouest du 4e méridien, comprenant 16.79 acres, ainsi qu'indiqué sur le plan d'irrigation numéro 360.

(7) Le quart nord-ouest de la section 34, township 13, rang 17, à l'ouest du 4e méridien, comprenant 35.21 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 296.

(8) Le quart sud-est de la section 16, township 14, rang 8, à l'ouest du 4e méridien, comprenant 11.85 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

(9) Le quart sud-ouest de la section 6, township 14, rang 9, à l'ouest du 4e méridien, comprenant 10.84 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

(10) Le quart nord-est de la section 35, township 13, rang 10, à l'ouest du 4e méridien, comprenant 13.5 acres, plus ou moins, ainsi qu'indiqué sur le plan d'irrigation numéro 183.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 décembre 1916, au sujet d'une demande reçue de la compagnie du chemin de fer dite "Kettle Valley Railway Company," pour un permis d'occupation de cette partie du lit de la rivière Fraser adjacente à la voie ferrée de la compagnie et de chaque côté de cette voie, cette partie du lit de la rivière étant requise pour l'emplacement d'un pont, et pouvant être décrite comme suit :

"Le terrain submergé situé dans la section 16, township 5, rang 26, à l'ouest du 6e méridien, dans la province de la Colombie-Britannique, et qui peut être décrit plus minutieusement comme suit :—

"Borné à l'est et à l'ouest par les marques ordinaires de l'eau haute sur les rives gauche et droite respectivement de la rivière Fraser, et au nord et au sud par des lignes parallèles à la ligne de centre de la voie du chemin de fer de Kettle Valley et qui en sont éloignées perpendiculairement de 50 pieds de chaque côté, ce terrain contenant 1.83 acres, plus ou moins, le tout conforme au plan de la chaussée de la voie ferrée, pour l'emplacement d'un pont du chemin de fer Kettle Valley, approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, et daté à Ottawa le 3e jour d'août 1915, et dont copie est annexée."

Le Ministre représente que l'emplacement et les plans des travaux soumis par la compagnie ont été approuvés par le Département des Travaux Publics conformément aux dispositions de la *Loi de la protection des eaux navigables*, chapitre 115 des Statuts révisés du Canada, 1906, modifiée par le chapitre 44, 9 10 Édouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent le Ministre demande l'autorisation d'émettre en faveur de la compagnie dite "Kettle Valley Railway Company" un permis d'occupation pour la partie du lit de la rivière Fraser qui est décrite ci-dessus, le dit permis devant être pour telle période que la compagnie peut demander en rapport avec l'exploitation de son chemin de fer ; un loyer annuel de \$1.00 sera payé au Département de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur du 11 janvier 1917 représentant qu'un arrêté en conseil du 11 mars 1910 a sanctionné des règlements concernant l'aliénation des droits à l'extraction du pétrole et du gaz naturel propriété de la Couronne, en vertu des dispositions de l'article 37 de la Loi des Terres fédérales.

Le Ministre représente :

Au mois de novembre 1913, les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans certaines parties des townships 46, 47, 48 et 49, rangs 10, 11, 12 et 13, à l'ouest du 4e méridien, comprenant une superficie d'environ 55,620 acres, ont été soustraits au droit d'aliénation en vertu des dispositions des dits règlements à la demande de la cité d'Edmonton, afin que la dite municipalité puisse s'approvisionner d'une quantité suffisante de gaz naturel pour les besoins de sa population.

Au ministère de l'Intérieur a été représenté qu'il est essentiel à la prospérité commerciale de la ville que les droits à l'extraction du pétrole et du gaz naturel déjà soustraits à l'aliénation ne soient pas concédés à d'autres intéressés et qu'ils ne puissent les détourner ; que la municipalité bien qu'elle ne désire pas exploiter ces droits, devrait avoir le pouvoir nécessaire d'empêcher qu'ils ne soient détournés à d'autres centres de population et d'en assurer la conservation pour l'approvisionnement domestique, ainsi que pour le progrès et le développement de ses nombreuses industries.

Il a de plus été représenté au ministère de l'Intérieur qu'à très grand frais des forages pour le gaz naturel ont été exécutés dans les limites du terrain mis en réserve ; qu'on y a découvert du gaz en quantité suffisantes pour les fins commerciales ; qu'il est projeté d'établir des conduits pour le gaz jusqu'à la ville d'Edmonton, sur une distance d'environ 85 milles, pour le bénéfice des citoyens de cette municipalité.

Comme il semble être de l'intérêt public que les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans les limites de la réserve ci-dessus mentionnée, soient conservés pour l'usage de la ville d'Edmonton, le ministre demande l'autorisation de soustraire à l'aliénation les droits à l'extraction du pétrole et du gaz naturel dans cette région comprenant les parties des townships 46, 47, 48 et 49 des rangs 10, 11, 12 et 13, à l'ouest du 4e méridien initial, ainsi que tracé en rose dans le plan ci-annexé, aux conditions suivantes :

1. Que la soustraction à l'aliénation, à la demande de la ville d'Edmonton, des droits d'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans la région ci-dessus mentionnée, ne s'appliquera pas aux terres mises en réserve pour les écoles en vertu des dispositions de la *Loi des terres fédérales*.

2. Que la soustraction de l'aliénation conformément aux règlements régissant la concession des droits à l'extraction du pétrole et du gaz naturel dans la région décrite ne sera pas un obstacle à la concession par la Couronne d'autres droits miniers dans cette région.

3. Que la ville d'Edmonton obtienne immédiatement un bail conformément aux prescriptions des règlements régissant chaque quart de section de la région réservée où un puit a été foré par ou pour la municipalité dans le but d'extraire du pétrole ou du gaz naturel.

4. Que la ville d'Edmonton, avant de commencer des forages ou autres travaux dans le but de découvrir ou d'extraire du pétrole ou du gaz naturel dans les terrains compris dans la réserve susdite, devra demander et obtenir un bail de ces endroits conformément aux prescriptions des règlements à cet effet.

5. Que dès que le Département de l'Intérieur aura reçu du conseil municipal de la ville d'Edmonton l'avis qu'une certaine partie de la réserve n'est plus requise pour les fins municipales, le Ministre de l'Intérieur peut déclarer que les droits ainsi rétrocédés peuvent de nouveau être concédés conformément aux dispositions des règlements et à la pratique du Département.

14675—5½

6. Que la ville d'Edmonton aura un délai de deux ans de la date des présentes pour choisir et obtenir la concession sous l'empire des prescriptions des règlements à l'extraction du pétrole et du gaz naturel dans les limites de la réserve ci-dessus décrite, et qu'à l'expiration de ladite période de deux ans la réserve se terminera et tous les droits à l'extraction du pétrole et du gaz naturel dans les limites de cette réserve, qui n'ont pas déjà été choisis et concédés, rétrocéderont à la Couronne pour concession conformément aux dispositions des règlements à cet effet.

Le comité agréé cette recommandation et la soumet pour approbation.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 janvier 1917, représentant que Moses Lessard, de Ashcroft, Colombie-Britannique, a demandé d'acheter aux conditions régissant l'irrigation la moitié nord fractionnaire de la section 34, township 19, rang 24, à l'ouest du 6e méridien, contenant approximativement 250 acres, occupée par le requérant depuis octobre 1913, avant que l'arpentage en fut fait ;

Le Ministre représente de plus qu'un ingénieur du service des levers hydrographiques s'est enquis du cas et a fait rapport que le requérant avait fait nombre d'améliorations sur le terrain et qu'il s'y trouvait suffisamment de terre propre à la culture pour justifier l'irrigation, et que le représentant pourrait effectuer lui-même l'irrigation du terrain ;

Par conséquent, le Ministre recommande qu'il soit permis au requérant, Moses Lessard, d'acheter les parties de la moitié nord de la section 34, township 19, rang 24, à l'ouest du 6e méridien, qu'il peut réellement irriguer et cultiver, aux conditions suivantes :

(a) Les terrains vendus doivent être mis en culture par irrigation.

(b) Le prix d'achat est de \$5.00, sujet à une déduction du prix de revient des travaux d'irrigation jusqu'à un montant n'excédant pas \$2.00 l'acre, et le montant ainsi mis à ce compte sera considéré un paiement en argent fait à la date même de la vente. (e) Les ingénieurs du Département de l'Intérieur feront l'examen des travaux dès qu'ils seront parachevés.

(f) La patente sera délivrée dès que les conditions auront été remplies pour les parties des terrains concédés qui auront été mis en culture par irrigation.

(h) Ni transfert ni cession des terrains concédés ou de droits quelconques qui s'y rapportent ne peuvent être faits avant l'émission de la patente sans le consentement du ministre de l'Intérieur.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que sur pétition de certains électeurs du comté de Stanstead, province de Québec, demandant la mise en vigueur des dispositions de la partie II de la *Loi de Tempérance du Canada* dans ce comté, un vote a été pris de tous les électeurs du dit comté pour et contre la pétition le 6e jour d'août 1914 ; et

Attendu qu'un officier rapporteur a subséquemment fait rapport que la pétition avait été adoptée par les électeurs ; et

Attendu que certains électeurs ont intenté une action sous les dispositions de l'article 6 du chapitre 53 des statuts de 1914, "Loi modifiant la Loi de Tempérance du Canada", afin de faire annuler le vote, alléguant que le bulletin était défectueux ; et

Attendu que Son Honneur le juge Globenski, siégeant dans la Cour supérieure du district de Saint-François, dans la province de Québec, après l'audition des témoins, a rendu son jugement en faveur des défendeurs, qui étaient les représentants de la ligne dite "No license league" du comté de Stanstead,—

## HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 13e jour de janvier 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Ministre de la Marine et des Pêcheries et le Ministre des Travaux publics représentent qu'ils ont pris en considération la question de pourvoir à l'entretien la nuit de feux qui indiqueront

les chenaux sous les arches des ponts fixes comme aides à la navigation sur les eaux navigables ;

Et attendu que l'article 233 de la *Loi des chemins de fer*, chapitre 37 des Statuts révisés du Canada prescrit qu'un plan et une description de l'emplacement proposé d'un pont de chemin de fer projeté (sauf un pont au-dessus d'un canal) et un plan général de l'ouvrage à construire doivent d'abord être soumis au Ministre des Travaux publics pour approbation ;

Et attendu que l'article 7 de la *Loi de la protection des eaux navigables*, chapitre 115 des Statuts révisés du Canada, contient une prescription semblable pour les ponts autres que les ponts de chemin de fer.

Et attendu que les ministres sont de l'avis des fonctionnaires des départements de la Marine et des Pêcheries et des Travaux publics que ces plans et descriptions ne doivent en aucun cas être approuvés à moins qu'ils n'indiquent la présence des feux requis pour la sûreté de la navigation.

Par conséquent il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes ce qui suit :—

Nul plan et nulle description d'un pont fixe au-dessus d'eaux navigables (sauf les canaux) qui d'après l'article 233 du chapitre 37 des Statuts révisés du Canada, ou par l'article 7 du chapitre 115 des Statuts révisés du Canada, doivent être soumis au Ministre des Travaux publics pour approbation, ne seront approuvés à moins que ce plan et cette description indiquent qu'il y a un feu blanc fixe de chaque côté de tout chenal de navigation passant sous un tel pont fixe. Ces feux, dont l'intensité lumineuse devra être approuvée par le Département de la Marine et des Pêcheries, seront entretenus par le propriétaire ou les propriétaires de tels ponts durant chaque nuit du coucher jusqu'au lever du soleil pendant toute la saison de navigation.

## AVIS DU GOUVERNEMENT.

## COMMISSION DU SERVICE CIVIL DU CANADA.

EXAMEN D'ENTRÉE AU COLLÈGE NAVAL ROYAL  
DU CANADA.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 16 mai 1917, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédéricton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus au même temps que l'examen d'entrée au collège naval royal. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 16 avril 1917. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

Ottawa, 19 janvier 1917.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00

(b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00

(c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

(f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00

(g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00

(h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00

(i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débetures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.*Telles que revisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

7. In any prosecution or proceedings brought, had or taken under this order by or on behalf of or by the direction or under the authority of the Attorney General of Canada all matters alleged in the information, charge or indictment shall be without proof rebuttably presumed to be true.

8. If the Secretary of State of Canada so directs all copies of any newspaper, tract, periodical, book, circular or other printed publication, printed, issued, circulated or published in contravention of this Order, in whomsoever's possession they are found, may be seized and destroyed by any peace officer, and the printing presses, plant and machinery used in the printing, publication and circulation of publications containing objectionable matter or published in contravention of this Order shall be seized and the premises where the same are found may be closed indefinitely or for such period as the Secretary of State of Canada may direct.

4. For the purposes of the trial of any person for any offence against any of these Orders the offence shall be deemed to have been committed either at the place in which the same actually was committed or at any place in which the offender may be.

5. The powers conferred by these Orders are in addition to and not in derogation of, any powers exercisable by members of His Majesty's naval and military forces and other persons to take such steps as may be necessary for securing the public safety and the defence of Canada, and nothing in these Orders shall affect the liability of any person to trial or punishment for any offence or war crime otherwise than in accordance with these Orders.

6. The Interpretation Act, Chapter 1 of the Revised Statutes of Canada, 1906, applies for the purpose of the interpretation of these Orders except where inconsistent therewith, in like manner as it applies for the purpose of the interpretation of an Act of Parliament.

IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1917, from the Minister of the Interior, stating that application has been made by Mr. Louis Felix Cardinal of Fort Vermilion, in the Province of Alberta, for a free grant of the fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, West of the Fifth Meridian, lying south of Peace River, of the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

The Minister observes that evidence has been submitted showing the applicant to have been in actual occupation of the land at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of Section 76 of The Dominion Lands Act, a free grant of 160 acres of the said fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, west of the Fifth Meridian, lying south of Peace River, in the Province of Alberta, be authorized to Mr. Cardinal, and that he be permitted to purchase the excess area of 3.70 acres at the rate of \$3 an acre.

The Committee concur in the foregoing recommendation and submit the same for approval.

33-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1917, from the Minister of the Interior, submitting that Mr. Frank Ruppert obtained the southeast quarter of Section 16, Township 33, Range 14, west of the 4th Meridian, under pre-emption entry on the 15th June, 1910; his appurtenant homestead being the northeast quarter of the same section, for which he obtained patent on the 13th October, 1913.

Since completing his homestead duties, Mr. Ruppert carried on the settlement duties in connection with his pre-emption for one year when, owing to hardships attendant upon his undertaking, rheumatism of a severe form developed in his left hip. He has been undergoing medical treatment and, according to testimony submitted by his medical advisers, it is necessary for him to make use of crutches to go about, and it is represented, moreover, that the nature of Mr. Ruppert's ailment is likely to grow worse instead of better.

Under the circumstances, the Minister recommends that residence duties be dispensed with under subsection 2, of section 20, of The Dominion Lands Act of 1908, and that patent issue upon proof being furnished that the other conditions of the law have been fulfilled, and upon payment being made for the land at the statutory price.

The Committee concur in the foregoing recommendation, and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 15th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that by an Order in Council, dated the 11th of March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act.

That in November, 1913, the available petroleum and natural gas rights, the property of the Crown, in portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13 west of the 4th Meridian, containing an approximate area of 55,620 acres, were temporarily withdrawn from disposal under the provisions of the above regulations at the request of the City of Edmonton, in order to secure for that municipality a sufficient supply of natural gas for the use of the people.

That it has now been represented to the Department of the Interior that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to or diverted by outside interests; that the city, while not desiring to exploit the said rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for its domestic supply, and for the extension and development of its several industries.

Representations have also been made to the Department of the Interior that a very large expenditure has already been incurred in boring for natural gas within this reservation; that gas in commercial quantity has been discovered; and that action is now being taken to pipe the gas to the City of Edmonton, a distance of about eighty-five miles, to be utilized by and on behalf of that municipality.

As it would appear to be in the public interest that the petroleum and natural gas rights, the property of the Crown, within the limits of the reservation above referred to, should be conserved for the use of the City of Edmonton, the Minister recommends that he be authorized to withdraw for the present from disposal the available petroleum and natural gas rights within the tract, comprising portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13, west of the 4th Initial Meridian, shown outlined in *pink* on the plan hereto attached, upon the following terms and conditions:

1. That the withdrawal at the instance of the City of Edmonton of the petroleum and natural gas rights, the property of the Crown, in the above area, shall not apply to lands which have been set apart as School lands in accordance with the provisions of the Dominion Lands Act;
2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown of other mining rights under these lands;
3. That the City of Edmonton be required to immediately obtain a lease under and in accordance with the provisions of the regulations of each quarter section within the reservation upon which a well has been bored by on behalf of the municipality with a view to the discovery of petroleum or natural gas;
4. That the City of Edmonton, before commencing in the future boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf;
5. That upon receipt in the Department of the Interior of advice from the municipal council of the City of Edmonton that any parcel of land within

the limits of the reservation is no longer required for municipal purposes, the Minister of the Interior may declare that the rights so relinquished are withdrawn from the reservation, and are open to application under and in accordance with the provisions of the regulations and the practice of the Department;

6. That the City of Edmonton shall be given a period of two years from the date hereof, within which to select and obtain leases under the provisions of the regulations of the available petroleum and natural gas rights within the limits of the above reservation, and at the expiration of the said period of two years the reservation will terminate, and any petroleum and natural gas rights within the limits of such reservation which have not in the meantime been selected and leased shall revert to the Crown for disposal under and in accordance with the provisions of the regulations in that behalf.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

**T**HE Committee of the Privy Council have had before them a report, dated 26th December, 1916, from the Minister of the Interior, submitting that, in pursuance of the provisions of The Dominion Lands Act, title to section 8, Township 5, Range 28, west of the 4th Meridian, was vested in the Hudson's Bay Company by notification of the confirmation of the survey of the township.

The Minister states that—as there is some doubt whether such notification was effective in passing the title to the said Company, as was intended, of those portions of the said section 8 as are covered by the waters of a certain surveyed lake,—the Commissioner of the Hudson's Bay Company has applied for the issue of a supplementary grant to the Company, by letters patent of the lands in the east half of said section 8 shown on the plan of survey as covered by the waters of the surveyed lake.

The Minister is of the opinion that the request should be complied with, and he therefore recommends that the issue of letters patent be authorized to the Hudson's Bay Company of all those portions of the east half of Section 8, Township 5, Range 28, west of the 4th Meridian as are covered by the waters of a certain surveyed lake, as shown upon a plan of survey of the said township, approved and confirmed at Ottawa on the 1st day of March, A.D. 1888, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement twenty-seven acres more or less.

**T**HE Committee of the Privy Council have had before them a report, dated 2nd January, 1917, from the Minister of the Interior, stating that John F. Morton was granted homestead entry for the South West quarter of Section 4, Township 9, Range 14, West of the 2nd Meridian on the 24th of September, 1898, and that subsequently such entry was cancelled, on evidence being submitted that the requisite settlement duties were not being properly performed ;

The Minister further states that by Order in Council dated the 4th of March, 1910, the quarter-section described was set apart for the School Lands Endowment.

It is now represented that John F. Morton, the former entrant, has been living upon this land for some years and has complied with the requirements of the Dominion Lands Act with respect to residence and cultivation ;

IN COUNCIL.

WHEREAS a large number of civilians has, since the commencement of the War, left Canada to visit the United Kingdom ;

And whereas information in the possession of the Government shows that the cost of living in the United Kingdom, already very high, is still on the increase, and the presence there of many Canadian civilians who are not performing any useful service to the Empire imposes, in the matter of food supply, an unwarranted burden upon the British Government and makes it

difficult for many of these visitors to maintain themselves, let alone return to Canada ;

\* And whereas already a number have succeeded in returning to Canadian ocean ports without funds to reach their homes in Canada ;

And whereas it is probable that, as soon as peace is declared, there will be difficulty in providing accommodation for the return to Canada of Canadian troops, and it will be impossible, with the available tonnage, to provide for the early return of civilians, —

Therefore, His Excellency the Governor General in Council, having regard to the foregoing and with a view to prevent any further exodus of Canadian civilians to the United Kingdom, is pleased, under and in virtue of the provisions of Section 6 of The War Measures Act, 1914, to order, and it is hereby ordered as follows :—

Passports enabling civilians to leave Canada for the United Kingdom shall not, hereafter, be issued until the Department of External Affairs is satisfied that the reasons in favour of the issue of passport are weighty and urgent and until the applicant satisfies the Department of his financial ability to maintain himself in the United Kingdom and to return to Canada.

Wednesday, the 17th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that an application has been received from Moses Lessard, of Ashcroft, British Columbia, to purchase on irrigation conditions the fractional north half of Section 34, in Township 19, Range 24, west of the 6th Meridian, (containing approximately 250 acres), of which the applicant went into occupation in October, 1913, before the survey thereof ;

The Minister further states that the case was inspected by an engineer of the Hydrographic Survey Office, who reported that the applicant had made a good many improvements to the land, and that there was sufficient cultivable land to justify irrigation and

that arrigation of the land could be effected by the applicant—

The Minister therefore recommends that the applicant, Moses Lessard, be permitted to purchase those portions of the north half of Section 34, in Township 19, Range 24, west of the sixth Meridian, which may be successfully irrigated and cultivated by him in a *bona fide* manner, on the following terms and conditions:

- (a) The lands sold to be brought under cultivation by irrigation;
- (b) The purchase price to be at the rate of five dollars (\$5) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding two dollars (\$2) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar (\$1) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum;
- (c) The necessary water rights to be secured from the Provincial Government of British Columbia; no work to be done on the land until preliminary water rights are secured from the province;
- (d) The work to be commenced within one year from the date of the authorization by Order in Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior;
- (e) Examination to be made by engineers of the Department of the Interior on completion of the work;
- (f) Patent to issue, when conditions completed, for the portions which have been brought under cultivation by irrigation;
- (g) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.
- (h) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

## CIVIL SERVICE COMMISSION OF CANADA.

## EXAMINATION FOR ENTRANCE TO THE ROYAL NAVAL COLLEGE OF CANADA.

PUBLIC Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 16th May, 1917, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held at the same time as the examination for entrance to the Royal Naval College. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 16th April, 1917. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

Ottawa, January 19, 1917.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Lundi, le 15e jour de janvier 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur du 11 janvier 1917 représentant qu'un arrêté en conseil du 11 mars 1910 a sanctionné des règlements concernant l'aliénation des droits à l'extraction du pétrole et du gaz naturel propriété de la Couronne, en vertu des dispositions de l'article 37 de la Loi des Terres fédérales.

Le Ministre représente :

Au mois de novembre 1913, les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans certaines parties des townships 46, 47, 48 et 49, rangs 10, 11, 12 et 13, à l'ouest du 4e méridien, comprenant une superficie d'environ 55,620 acres, ont été soustraits au droit d'aliénation en vertu des dispositions des dits règlements à la demande de la cité d'Edmonton, afin que la dite municipalité puisse s'approvisionner d'une quantité suffisante de gaz naturel pour les besoins de sa population.

Au ministère de l'Intérieur a été représenté qu'il est essentiel à la prospérité commerciale de la ville que les droits à l'extraction du pétrole et du gaz naturel déjà soustraits à l'aliénation ne soient pas concédés à d'autres intéressés et qu'ils ne puissent les détourner ; que la municipalité bien qu'elle ne désire pas exploiter ces droits, devrait avoir le pouvoir nécessaire d'empêcher qu'ils ne soient détournés à d'autres centres de population et d'en assurer la conservation pour l'approvisionnement domestique, ainsi que pour le progrès et le développement de ses nombreuses industries.

Il a de plus été représenté au ministère de l'Intérieur qu'à très grand frais des forages pour le gaz naturel ont été exécutés dans les limites du terrain mis en réserve ; qu'on y a découvert du gaz en quantité suffisantes pour les fins commerciales ; qu'il est projeté d'établir des conduits pour le gaz jusqu'à la ville d'Edmonton, sur une distance d'environ 85 milles, pour le bénéfice des citoyens de cette municipalité.

Comme il semble être de l'intérêt public que les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans les limites de la réserve ci-dessus mentionnée, soient conservés pour l'usage de la ville d'Edmonton, le ministre demande l'autorisation de soustraire à l'aliénation les droits à l'extraction du pétrole et du gaz naturel dans cette région comprenant les parties des townships 46, 47, 48 et 49 des rangs 10, 11, 12 et 13, à l'ouest du 4e méridien initial, ainsi que tracé en rose dans le plan ci-annexé, aux conditions suivantes :

1. Que la soustraction à l'aliénation, à la demande de la ville d'Edmonton, des droits d'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans la région ci-dessus mentionnée, ne s'appliquera pas aux terres mises en réserve pour les écoles en vertu des dispositions de la *Loi des terres fédérales*.

2. Que la soustraction de l'aliénation conformément aux règlements régissant la concession des droits à l'extraction du pétrole et du gaz naturel dans la région décrite ne sera pas un obstacle à la concession par la Couronne d'autres droits miniers dans cette région.

3. Que la ville d'Edmonton obtienne immédiatement un bail conformément aux prescriptions des règlements régissant chaque quart de section de la région réservée où un puits a été foré par ou pour la municipalité dans le but d'extraire du pétrole ou du gaz naturel.

4. Que la ville d'Edmonton, avant de commencer des forages ou autres travaux dans le but de découvrir ou d'extraire du pétrole ou du gaz naturel dans les terrains compris dans la réserve susdite, devra demander et obtenir un bail de ces endroits conformément aux prescriptions des règlements à cet effet.

5. Que dès que le Département de l'Intérieur aura reçu du conseil municipal de la ville d'Edmonton l'avis qu'une certaine partie de la réserve n'est plus requise pour les fins municipales, le Ministre de l'Intérieur peut déclarer que les droits ainsi rétrocedés peuvent de nouveau être concédés conformément aux dispositions des règlements et à la pratique du Département.

6. Que la ville d'Edmonton aura un délai de deux ans de la date des présentes pour choisir et obtenir la concession sous l'empire des prescriptions des règlements à l'extraction du pétrole et du gaz naturel dans les limites de la réserve ci-dessus décrite, et qu'à l'expiration de ladite période de deux ans la réserve se terminera et tous les droits à l'extraction du pétrole et du gaz naturel dans les limites de cette réserve, qui n'ont pas déjà été choisis et concédés, rétrocéderont à la Couronne pour concession conformément aux dispositions des règlements à cet effet.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que le Département des Affaires des Sauvages a demandé la mise en réserve pour les sauvages, sous l'empire du traité numéro 2, d'une étendue de terrain connue sous la désignation de "Réserve des Sauvages numéro 46 de Dog Creek," dont une partie est comprise dans le rang 8 des townships 21, 22 et 23, respectivement, et le reste dans le rang 9 des townships 22 et 23, respectivement, le tout à l'ouest du méridien principal, dans la province de Manitoba, et comprenant une superficie de 9,427 acres ;

Attendu que le terrain demandé est disponible d'après les archives du Département de l'Intérieur pour les fins susdites, et que le Ministre de ce Ministère recommande que cette demande soit accordée.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de l'article 76 de la Loi des terres fédérales, de soustraire par les présentes à l'opération de la Loi des terres fédérales et de mettre en réserve pour les sauvages les terrains suivants :

Toute cette étendue de terrain dont une partie est comprise dans le rang 8 des townships 21, 22 et 23 respectivement et le reste dans le rang 9 des townships 22 et 23 respectivement, le tout à l'ouest du méridien principal, dans la province de Manitoba, tel que coloré en rouge, sur le plan ci-annexé, et comprenant 9,427 acres, plus ou moins.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 janvier 1917, représentant que M. Louis Félix Cardinal, de Fort Vermillion, dans la province d'Alberta a demandé la concession gratuite de la moitié fractionnaire ouest de la section 22, township 108, rang 13, à l'ouest du 5e méridien située au sud de la rivière à la Paix, dans la dite province d'Alberta, en vertu du fait qu'il occupait ce terrain à la date de l'extinction du titre des sauvages.

Le Ministre représente qu'il a été établi que le demandeur résidait sur le terrain à la date de la conclusion du traité numéro 8, à l'été de 1899.

Le Ministre recommande, par conséquent, qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales* on autorise la concession gratuite à M. Cardinal de 160 acres de la dite moitié fractionnaire ouest de la section 22, township 108, à l'ouest du 5e méridien, située au sud de la rivière à la Paix dans la province d'Alberta et qu'il lui soit permis d'acheter ce qui reste, soit 3.70 acres, de la superficie totale au prix de \$3.00 l'acre.

Mardi, le 19e jour de décembre 1916.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, d'établir les règlements suivants concernant l'administration des "Prairies hautes"; lesquels règlements devront s'appliquer aux réserves forestières dans les limites de la zone des chemins de fer de la province de la Colombie-Britannique, et ces règlements sont par ces présentes établis en conséquence.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

## RÈGLEMENTS concernant les "Prairies hautes" dans les réserves forestières fédérales, dans la zone des chemins de fer de la Colombie-Britannique.

Les "Prairies hautes" sont des prairies d'accès difficile dans les réserves forestières, d'où il est impossible de voiturier le foin, de sorte que le seul usage qu'on peut en faire est pour le pâturage du bétail sur place.

Un "Fermier de bétail" est une personne ou compagnie qui a pris à bail pour exploitation pendant un terme d'années un ranch ou une ferme et ses accessoires, y compris le bétail, soit à loyer fixe, soit pour une part des profits, avec garantie de remettre au propriétaire à la conclusion du bail une quantité équivalente de bétail ou sa valeur en argent.

1. Il peut être accordé, sujet aux conditions ci-après mentionnées, à toute personne qui est un sujet britannique un permis pour l'exploitation exclusive pour un terme de cinq ans d'une prairie haute ou, s'il s'agit de prairies de peu d'étendue, d'un nombre quelconque de prairies dont l'étendue totale, telle que déterminée par la méthode expliquée à l'article 13 ci-après, n'excède pas cent acres.

2. Toute prairie haute pour laquelle il aura été fait une demande de permis d'exploitation doit être arpentée par bornes et limites par un fonctionnaire de l'administration forestière. Un plan du dit arpentage sera déposé au bureau du surintendant des réserves forestières et tout permis accordé doit se conformer au nombre d'acres indiqué sur le dit plan.

3. (a) Les demandes de permis d'exploitation de prairies hautes et doivent être classées comme suit et considérées dans l'ordre de priorité suivante :

Classe 1. Demandes de la part de propriétaires *bona fide* d'un ranch ou de terrains agricoles, qui désirent adjoindre des prairies hautes à leur ranch ou à leur ferme.

Classe 2. Demandes de la part de personnes qui ne pas sont propriétaires de ranch ou de terrains agricoles auxquels elles désirent adjoindre des prairies hautes pour l'élevage, mais qui demandent des prairies hautes pour exploiter le bétail comme industrie indépendante.

(b) Aucune demande de la classe 2 ne doit être prise en considération avant que ne soient accordées toutes les demandes de la classe 1.

4. S'il est présenté à la fois plus d'une demande de la même classe pour une prairie pour laquelle aucun permis n'est encore accordé, le fonctionnaire de l'administration forestière peut, avec le consentement des requérants, faire un partage de la prairie ; si les requérants ne peuvent s'accorder, il mettra la prairie à l'enchère à une mise à prix pour chaque acre telle que fixée à l'article 11, des présents règlements.

5. Le concessionnaire doit faire, à la satisfaction du fonctionnaire préposé à l'administration de la réserve, toutes les améliorations nécessaires pour mettre la prairie en état de fournir un maximum de pâturage.

6. Seul le bétail dont le concessionnaire est de bonne foi le propriétaire ou le fermier, peut être mis en pâturage dans une prairie haute.

7. Un concessionnaire peut utiliser une prairie haute pour l'une des fins suivantes :

1. Y récolter du foin pour l'usage du bétail l'hiver suivant.
2. Y mettre du bétail en pâturage l'été.
3. Mettre une partie en foin et le reste en pâturage.

8. Le nombre de bestiaux en pâturage chaque année dans une prairie haute doit être au moins le suivant :—

1. Pour les trois premières années de la durée du permis :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque deux acres de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par chaque deux acres de prairie sous concession.

2. Pour la quatrième et la cinquième année de la durée du permis, ou durant son extension en vertu de l'article 10 des présents règlements :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque acre de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par acre de prairie sous concession.

9. Tout concessionnaire doit, avant le premier mai chaque année, fournir au fonctionnaire préposé à l'administration de la réserve une déclaration sous serment de l'usage qu'il a fait au cours des douze mois précédents de la prairie haute à lui cédée. La déclaration contenir :

1. Le nombre des bestiaux en pâturage ;
2. Le temps de leur pâturage ;
3. La quantité de foin récolté ;
4. La quantité de foin servi au bétail ;
5. Les améliorations faites.

10. A tout concessionnaire qui s'est conformé aux dispositifs des présents règlements peuvent être accordées trois extensions du dit permis pour des périodes additionnelles de cinq années, pourvu qu'il en fasse la demande au moins six mois avant l'expiration du dit permis ou de son extension ; et la dite demande aura la préférence sur toute autre demande de permis pour les mêmes terrains en vertu des présents règlements.

11. Les prix exigibles pour les concessions de prairies hautes sont les suivants : Permis original—cinq cents l'acre par année. Première extension—dix cents l'acre par année. Deuxième et troisième extensions—quinze cents l'acre par année.

12. Les concessions de prairies hautes ne peuvent être ou transférées ou cédées sans le consentement du ministre et nulle personne ou compagnie a droit à plus d'un permis à la fois.

13. Si le ministre consent au transfert d'une concession, le permis doit être retourné au ministère, qui émettra un nouveau permis au nom du concessionnaire pour le reste de la période comprise dans le permis original et aux mêmes conditions.

14. Lors de l'annulation d'un permis, ou si le concessionnaire ne désire ou ne peut obtenir une extension, un concessionnaire subséquent d'une prairie haute améliorée doit payer les redevances que le premier concessionnaire aurait eu à acquitter s'il eut continué en possession.

15. Le concessionnaire, pendant la durée de son permis, doit maintenir en bon état, à la satisfaction du fonctionnaire de l'administration forestière, toute clôture déjà érigée.

16. Quiconque désire couper du bois sur la dite réserve forestière pour y effectuer des améliorations doit en obtenir l'autorisation sujet aux conditions et aux redevances mentionnées dans les règlements concernant les réserves forestières.

17. Tout commissaire est tenu responsable de tous les feux occasionnés directement ou indirectement par son action personnelle ou celle d'un de ses serviteurs, employés ou agents, sur tout terrain dans les limites d'une réserve forestière pour laquelle le dit commissaire détient un permis ; et tous les dits employés doivent donner gratuitement leurs services en tout temps si un feu se déclare ou menace le terrain ou les améliorations du concessionnaire. Toute négligence de la part du concessionnaire pouvant occasionner un feu est une raison suffisante pour l'annulation de son permis.

18. On peut obtenir un pâturage d'été pour le bétail hiverné dans une prairie haute aux conditions mentionnées dans les règlements concernant les pâturages. Le concessionnaire d'une prairie haute a les mêmes droits que ceux qui font une demande de concession de pâturage sous la classe 1, telle que définie dans l'article 39 des règlements concernant les réserves forestières, établis par un arrêté en conseil du 20 avril 1916. 31-4

ATTENDU que demande a été faite au nom de la Corporation Episcopale Catholique Romaine d'Athabaska de la concession gratuite du lot numéro 5 du township 70, rang 23, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 158 acres plus ou moins, en vertu de l'occupation de ce terrain à la date de l'extinction du titre des Sauvages ;

Et attendu que la preuve soumise démontre que la Corporation Episcopale Catholique Romaine d'Athabaska, par l'entremise de ses agents, était en possession du terrain à la date de la conclusion du traité indien numéro 8 à l'été de 1899,—

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser la concession gratuite du dit lot numéro 5, du township 70, rang 23, à l'ouest du 5e méridien, à la Corporation Episcopale Catholique Romaine d'Athabaska.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 janvier 1917, représentant que Moses Lessard, de Ashcroft, Colombie-Britannique, a demandé d'acheter aux conditions régissant l'irrigation la moitié nord fractionnaire de la section 34, township 19, rang 24, à l'ouest du 6e méridien, contenant approximativement 250 acres, occupée par le requérant depuis octobre 1913, avant que l'arpentage en fut fait ;

Le Ministre représente de plus qu'un ingénieur du service des levés hydrographiques s'est enquis du cas et a fait rapport que le requérant avait fait nombre d'améliorations sur le terrain et qu'il s'y trouvait suffisamment de terre propre à la culture pour justifier l'irrigation, et que le représentant pourrait effectuer lui-même l'irrigation du terrain ;

Par conséquent, le Ministre recommande qu'il soit permis au requérant, Moses Lessard, d'acheter les parties de la moitié nord de la section 34, township 19, rang 24, à l'ouest du 6e méridien, qu'il peut réellement irriguer et cultiver, aux conditions suivantes :

(a) Les terrains vendus doivent être mis en culture par irrigation.

(b) Le prix d'achat est de \$5.00, sujet à une déduction du prix de revient des travaux d'irrigation jusqu'à un montant n'excédant pas \$2.00 l'acre, et le montant ainsi mis à ce compte sera considéré un paiement en argent fait à la date même de la vente. Le prix d'achat est payable comme suit : Un dollar l'acre (\$1.00) dans la première année de la date de l'autorisation de la vente par le Gouverneur en conseil ; la balance dans les trois ans de la date de cette autorisation ou dès qu'auront été remplis avant l'expiration de ces trois ans toutes les autres conditions de la vente, avec intérêt à 5% par année.

(c) Les droits hydrauliques nécessaires doivent être garantis par le gouvernement provincial de la Colombie-Britannique. Aucuns travaux ne seront exécutés sur le terrain avant que la province n'ait antérieurement garanti les droits hydrauliques.

(d) Les travaux doivent être commencés dans l'année de la date de l'autorisation de la vente par arrêté du conseil, et ils doivent être parachevés à la satisfaction du Ministre de l'Intérieur dans les trois ans de cette date, à moins que les autorités provinciales ne fixent d'autres dates en rapport avec la concession de ces droits hydrauliques ; dans ce cas, les dates fixées par les autorités provinciales peuvent être acceptées si elles sont approuvées par le Ministre de l'Intérieur.

(e) Les ingénieurs du Département de l'Intérieur feront l'examen des travaux dès qu'ils seront parachevés.

(f) La patente sera délivrée dès que les conditions auront été remplies pour les parties des terrains concédés qui auront été mis en culture par irrigation.

(g) La vente sera résiliée pour non-paiement du prix d'achat ou pour négligence de se conformer à une des conditions quelconque de la vente.

(h) Ni transfert ni cession des terrains concédés ou de droits quelconques qui s'y rapportent ne peuvent être faits avant l'émission de la patente sans le consentement du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 décembre 1916, représentant que conformément aux dispositions de la *Loi des terres fédérales*, la Compagnie de la Baie d'Hudson a obtenu, par la notification de la confirmation de l'arpentage du township, le droit de propriété à la section 8, township 5, rang 28, à l'ouest du 4e méridien.

Le Ministre représente que des doutes ayant surgi relativement à l'efficacité de la dite notification pour donner à la dite compagnie, comme c'était l'intention, le droit de propriété à ces parties de la dite section 8 qui sont couvertes par les eaux d'un certain lac arpenté, le commissaire de la Baie d'Hudson demande qu'il soit cédé à la compagnie par des lettres patentes supplémentaires les terrains compris dans la moitié est de la dite section 8 couverts par les eaux du dit lac et indiqués sur le plan d'arpentage.

Le ministre est d'avis que la demande soit accordée et, en conséquence, il recommande l'émission de lettres patentes à la compagnie de la Baie d'Hudson cédant tous ces terrains compris dans la moitié est de la section 8, township 5, rang 28, à l'ouest du 4e méridien sous les eaux d'un certain lac arpenté, tel qu'indiqué sur un plan d'arpentage du dit township approuvé et sanctionné à Ottawa le 1er mars A. D. 1888, par Edouard Deville, Arpenteur général des terres fédérales et déposé au département de l'Intérieur, lequel terrain contient 27 acres plus ou moins.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 janvier 1917, représentant qu'à M. Frank Ruppert a été cédé, le 15 juin 1910, le quart sud-est de la section 16, township 33, rang 14, à l'ouest du 4e méridien. Le 13 octobre 1913 le requérant obtenait des lettres patentes pour le homestead adjacent, le quart nord-est de la dite section.

Après avoir rempli ses obligations de homestead, M. Ruppert, une année durant, a rempli ses obligations de préemption ; mais le dur labeur qu'il a dû s'imposer l'a affligé d'un grave rhumatisme à la hanche gauche. Il est sous les soins de médecins, et ces derniers affirment qu'il doit faire usage de béquilles, et de plus que son mal augmentera plutôt que de s'améliorer ;

A ces causes, le Ministre recommande que M. Ruppert soit relevé des obligations de résidence qu'impose le paragraphe 2 de l'article 20 de la *Loi des terres fédérales* et que la patente soit émise dès que la preuve sera établie que les autres conditions de la loi ont été remplies et que le paiement prescrit par la loi aura été fait.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant que, le 30 mai 1910, M. William Thornton a obtenu l'inscription du quart sud-ouest de la section 13, township 28, rang 22, à l'ouest du 2e méridien.

Il aurait été établi que M. Thornton a fait 8½ acres de défoncement sur ce quart de section et a accompli 18 mois de résidence sur un terrain avoisinant alors qu'il se vit forcé de retourner dans l'Ontario pour cause de maladie.

Le Ministre soumet un certificat médical du docteur James A. Baker, établissant que M. Thornton souffre d'une attaque de paralysie.

Vu ces circonstances le Ministre recommande qu'en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, M. Thornton soit relevé de ses obligations de résidence pour que patente gratuite du dit quart de section lui soit délivrée sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 2 janvier 1917, représentant que le 24 septembre 1898, John F. Morton a obtenu une inscription de homestead pour le quart sud-ouest de la section 4, township 9, rang 14, à l'ouest du 2e méridien, et que cette inscription a été subseqüemment annulée après qu'il eût été prouvé que l'inscrit ne remplissait pas dûment ses obligations de résidence.

Le Ministre ajoute que par un arrêté en conseil daté le 4 mars 1910, le quart de section ci-dessus décrit été mis en réserve pour le fonds des terres des écoles.

Il est maintenant représenté que John F. Morton, le premier inscrit réside sur ce terrain depuis quelques années et s'est conformé aux prescriptions de la *Loi des terres fédérales* en ce qui concerne l'obligation de résidence et de culture.

En vue de ces circonstances, le Ministre recommande que l'arrêté en conseil du 4 mars 1910 soit rescindé, afin que le quart de section ci-dessus décrit soit de nouveau disponible pour fins de homestead.

Le comité agréé cette recommandation et la soumet pour approbation.

## INSTRUCTIONS, RÈGLEMENTS, Etc.

## Modifications aux instructions financières, troupes expéditionnaires canadiennes, 1916.

Les modifications suivantes ont été approuvées et elles sont publiées pour le renseignement des intéressés en général.—

L'article 79 est annulé et le suivant lui est substitué :

Le payeur régimentaire règlera les montants des deniers comptants payés aux sous-officiers et aux hommes et il sera tenu responsable s'il donne de l'argent en plus et dans aucune circonstance il ne doit payer la solde d'avance.

Il devra avoir suffisamment de fonds à son crédit pour rencontrer les frais de solde transférée, etc., ainsi que la retenue de \$10, conformément à l'article 131 et de la solde différée, article 226.

82. Les officiers des troupes expéditionnaires revenant de l'étranger au Canada en permission ou en service pour une période n'excédant pas un mois ne recevront aucun paiement en Canada. En conséquence, ils devront faire les arrangements avec le payeur en chef en Angleterre afin d'obtenir les fonds dont ils auront besoin durant leur absence.

Les officiers se rendant au Canada pour une période de plus d'un mois obtiendront un certificat de leur dernière solde du payeur en chef. Sur présentation de ce certificat de dernière solde ainsi que de son certificat de congé, l'officier pourra obtenir des avances raisonnables de solde de n'importe quel payeur de district en Canada ou de l'officier commandant le dépôt de libération.

Au retour, le certificat de dernière solde ainsi que le certificat de congé devront être présentés à l'officier commandant le dépôt de libération ou à l'officier d'embarquement et l'un de ces officiers devra apposer sa signature sur ces certificats. En arrivant en Angleterre, le certificat de dernière solde devra être présenté au payeur régimentaire pour être transmis au payeur en chef.

"101. Dernier paragraphe, ajoutez :—

"In certain cases where it is impossible to carry out the attestation or medical examination upon a recruit presenting himself for enlistment, an enrolment form shall be attached to each copy of the attestation papers, giving the reason why attestation or medical examination was not carried out upon the same day as the man was enrolled. This shall be certified by the recruiting officer, and pay may be drawn from date of enrollment."

"106. Para. 2, line 6, retranchez les mots "noted under men's names" et substituez "entered in the column provided for that purpose."

"108. Alinéa 9, para. 1 substituez un "point-virgule" au "point" et ajoutez "stating on account of what part of kit the stoppages are made."

"109. Ligne 8, retranchez les mots "if more than one half his pay."

"111. Ajoutez un autre parag. "Large balances of cash on hand should not occur, and the paymaster should limit his requisition to his actual needs."

"115. Parag. 2, ligne 1, retranchez les mots "red ink." Parag. 2, ligne une, insérez le mot "receipt" avant le mot "column."

"122. Parag. 2, ligne 3, retranchez le mot "discharged" et substituez "transferred."

Parag. 2, 4e ligne, du haut de la page 49, après le mot "certificate" où il paraît en premier lieu, ajoutez les mots "In the case of an officer, the amount advanced on account of outfit allowance, and by whom it is paid, shall be specified."

Ajoutez une nouvelle phrase au 2e parag. "In the case of canteen tickets, the President of the canteen will supply the Paymaster with a statement in triplicate of stoppages to be made. Two copies of which will be attached to the paylists as vouchers."

"128. Alinea 1, ajoutez "in which case the reasons shall be stated in D.O. Part II."

"131. La somme de \$10 sera retenue sur la solde de chaque homme qui s'enrôle pour le service d'outre-mer, mais afin de ne pas imposer de trop grands sacrifices aux hommes ayant des dépendants, il suffira de retenir \$5 le premier mois et la balance le mois suivant.

Ce montant sert à couvrir les frais des habits de civil aux hommes qui sont congédiés avant de se rendre outre-mer, ainsi que de compensation au gouvernement pour les effets d'habillement militaires qui sont fournis aux hommes qui sont ensuite portés déserteurs.

Lorsqu'un homme se rend à l'étranger, cette somme lui est encore retenue en conformité de l'article 160.

I. Si les hommes désertent en Canada, le montant sera versé au fonds public.

II. Si les hommes sont congédiés avant de se rendre outre-mer, on agira de la manière suivante :

(a) Si l'homme obtient son congé par achat, le montant sera versé au fonds public.

(b) S'il est renvoyé pour incapacité physique, pour des causes qui ne sont pas dues au service militaire, les \$10 serviront à payer le coût d'habits civils. Si les habits sont fournis, le coût en sera déduit des \$10 et la balance sera remise au soldat. Si le soldat possède des habits civils ou s'il préfère s'en acheter lui-même, les \$10 pourront lui être remboursés. En ces cas le coût des habits ne devra pas excéder \$10 ; s'il est plus élevé, la différence pourra être retenue sur la solde du soldat.

(c) S'il est renvoyé pour incapacité physique pour des causes dues au service militaire les \$10 seront remboursés au soldat et les habits civils ou une allocation pour y suppléer, pourront lui être en outre accordés.

(d) S'il est congédié pour toute autre cause, son cas sera réglé conformément à l'alinéa II (b).

La retenue pour effets d'habillement sera indiquée dans la colonne "balance reportée," et le mois suivant dans la colonne "crédits des comptes précédents" et ainsi de suite jusqu'à ce que le soldat se rende outre-mer ou que son nom soit biffé des cadres.

Article 134. Après le parag. 2, insérez le paragraphe suivant :

"La quantité des rations auxquelles chaque homme a droit, après avoir fait les déductions en conformité du parag. précédent, seront indiquées dans la colonne

des rations et devront être comparées avec l'état reçu du quartier-maître à la fin de chaque mois. Des rations seront retirées le jour de l'entrée de l'homme à l'hôpital, mais on n'en retirera pas pour lui le jour de sa sortie."

"134a parag. 1, ligne 1, après le mot "quarters" insérez les mots "or camps."

Parag. 2, retranchez "exceeding seven days."

Parag. 2, ligne 2, après le mot "quarters" insérez le mot "camps."

"136. Après le 2e parag., ajoutez ce qui suit : "The receipt stubs shall be attached as a voucher to the Financial Statement (M. F. W. 6.) and shall be accompanied by a statement shewing the amounts paid for Commission and War Tax."

Parag. 6, ligne 6, enlevez les mots "together with the assigned pay card M. F. W. 10 corrected" et insérez-les après les mots "District Paymaster" ligne 3.

### COMMISSION DU SERVICE CIVIL DU CANADA.

EXAMEN D'ENTRÉE AU COLLÈGE NAVAL ROYAL DU CANADA.

**A**VIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 16 mai 1917, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Régina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto,

Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédériciton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus au même temps que l'examen d'entrée au collège naval royal. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 16 avril 1917. Cette règle est de rigueur.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00
- (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00
- (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00
- (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00
- (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00
- (i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal*.—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. *Une compagnie de télégraphe ou de téléphone*.—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers*.—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéjussurage; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques*.—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal. — Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie. — Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débiteures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

## DÉCRET II.

*(Suppression de matière censurable).*

1. Partout dans le présent décret où est employée l'expression "matière censurable" elle est censée signifier et comprendre:

(a) Tout renseignement au sujet du mouvement, du nombre, de la description, de la condition ou de la disposition des troupes, des navires ou des appareils aériens de Sa Majesté ou de quelqu'un des alliés de Sa Majesté, ou concernant les plans ou la direction, réelle ou supposée, des opérations navales ou militaires de ces troupes, navires ou appareils aériens, ou concernant l'approvisionnement, la description, la condition, le transport, la fabrication ou l'emmagasinage de munitions de guerre, ou concernant les travaux entrepris ou les mesures prises pour la fortification d'une place quelconque, ou tout renseignement de nature à être directement ou indirectement utile à l'ennemi, et

(b) toute photographie, tout tracé, plan, modèle ou toute autre représentation de travaux maritimes ou militaires, d'un dock ou d'un port, si ces représentations sont de nature à être directement ou indirectement utiles à l'ennemi, et

(c) tout faux rapport ou fausse déclaration concernant les causes ou les opérations de la guerre actuelle, et

(d) tout rapport ou toute déclaration de nature à mécontenter Sa Majesté ou à nuire au succès des troupes de Sa Majesté ou des troupes des alliés de Sa Majesté sur terre ou sur mer, ou au préjudice des relations de Sa Majesté avec les pouvoirs étrangers, et

(e) tout rapport ou toute déclaration de nature à nuire au recrutement, à l'entraînement, à la discipline ou à l'administration des forces de Sa Majesté, ou à la mise en vigueur ou l'application d'une loi ou d'un décret du Conseil concernant le Service National;

(f) tout rapport ou toute description ou prétendu rapport ou description des délibérations d'une séance secrète du Sénat ou de la Chambre des Communes du Canada tenue conformément à une résolution adoptée par ledit Sénat ou ladite Chambre des

Communes, sauf tel rapport qui peut être officiellement communiqué par l'entremise du Secrétaire d'Etat du Canada, et

(g) tout rapport ou toute description ou prétendu rapport ou description des délibérations d'une séance du Cabinet du Canada, et

(h) La teneur d'un document confidentiel appartenant au gouvernement ou de renseignements confidentiels obtenus d'un département quelconque de l'administration ou d'une personne au service de Sa Majesté.

2. (v) A moins d'excuse ou d'autorisation légale, dont la preuve lui incombe, personne n'écrira, imprimera, publiera, adressera, livrera, recevra ou aura en sa possession ou sur les lieux qu'il occupe ou administre, des lettres ou autres écrits, ou des journaux, brochures, pamphlets, publications périodiques, livres, circulaires ou autres imprimés, ou photographies, tracés, plans, modèles ou autres représentations contenant matière censurable.

(2) Personne ne donnera de représentation sur une scène quelconque ou n'exhibera de reproductions ou de vues cinématographiques, ou fera quoi que ce soit qui est de nature à :

(a) Mécontenter Sa Majesté ou à nuire au succès des forces de Sa Majesté ou des forces de quelqu'un des alliés de Sa Majesté par terre ou par mer, ou à porter préjudice aux relations de Sa Majesté avec les pouvoirs étrangers; ou

(b) Nuire au recrutement, à l'entraînement, à la discipline ou à l'administration des forces de Sa Majesté, ou à la mise en vigueur ou l'application d'une loi ou d'un décret du Conseil concernant le Service National.

(3) Tout tel écrit ou imprimé, ou sa publication, son expédition, sa livraison, réception, ou possession, ou telle production, exhibition ou représentation sera considéré une infraction des présents décrets.

3. Le ministre des Postes ou quiconque il autorise peut examiner tout journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé, ou tout écrit, photographie, tracé, plan, ou autre représentation transmis par le service des postes du Canada, afin d'empêcher la publication, la circulation ou la distribution de matière censurable.

4. Le ministre des Postes peut nommer un censeur en chef du Service postal canadien; ce fonctionnaire, sous la direction du ministre, sera chargé de l'application des prescriptions des règlements du présent décret qui s'appliquent au service des postes.

5. Le Secrétaire d'Etat du Canada, dès qu'il a constaté qu'un journal, un pamphlet, une publication périodique, un livre, une circulaire ou autre imprimé contient ou a publié de la matière censurable, peut par mandat sous son seing défendre à qui que ce soit en Canada d'avoir en sa possession un exemplaire ou une copie de tel journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé. Ce mandat peut limiter cette défense à la possession d'un seul ou de plusieurs numéros, exemplaires ou éditions de tel journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé; et le dit Secrétaire d'Etat peut décider que les circonstances l'autorisent à appliquer cette prohibition à la possession de numéros, exemplaires ou éditions futurs ou passés de ces publications.

(2) Dès la publication par le Secrétaire d'Etat du Canada dans la *Gazette du Canada* d'un avis de l'émission de ce mandat et de ses prescriptions conformément à cet avis, tout numéro, exemplaire ou copie de tel journal, pamphlet, publication périodique, livre, circulaire, ou autre imprimé ainsi prohibé devra pour toutes fins et pour tous les tribunaux et autres autorités être une preuve conclusive qu'il contient matière à censure.

6. Le Secrétaire d'Etat du Canada, s'il le juge opportun, peut nommer un censeur des écrits, copies, imprimés ou publications d'une imprimerie quelconque ou d'un établissement de publication, et toute personne ainsi nommée a droit de pénétrer sur les lieux et de les visiter de temps à autre avec un assistant ou des assistants et d'y séjourner aussi longtemps qu'il est raisonnablement nécessaire et d'examiner, considérer, approuver ou rejeter tout écrit, copie ou imprimé, ou tout ce qui doit être imprimé ou publié sur ces lieux. Dès que tel censeur aura été nommé et que le propriétaire, le gérant ou celui qui a charge de l'établissement aura été avisé de cette nomination, aucun écrit, copie ou autre matière n'y sera imprimé ou publié sans l'approbation du censeur, et l'impression ou la publication sans l'approbation susdite sera censée une infraction du présent décret.

7. Dans toute poursuite pour contravention au présent décret intentée sur l'ordre du Solliciteur général du Canada, il sera présumé, à défaut de preuve au contraire, que les faits allégués dans la dénonciation ou l'acte d'accusation sont vrais.

8. Sur l'ordre du Secrétaire d'Etat du Canada tous les exemplaires d'un livre quelconque, journal, publication périodique, brochure ou imprimé publiés ou mis en circulation contrairement aux prescriptions du présent décret, en la possession de qui que ce soit, peuvent être confisqués et détruits par un officier de la paix, et les presses à imprimer, l'outillage et les machines de l'établissement peuvent être confisqués et l'établissement fermé indéfiniment ou pour telle période que fixera le Secrétaire d'Etat.

DÉCRET III.

*(Poursuites et interprétation.)*

1. (1) Toute personne qui viole une disposition quelconque des présents décrets, ou néglige de l'observer ou de s'y conformer, ou, qui étant directeur ou fonctionnaire d'une compagnie constituée en corporation qui viole une disposition quelconque des présents décrets, ou néglige de l'observer ou de s'y conformer, au sujet du consentement de tel directeur ou fonctionnaire, est coupable du délit d'infraction des présents règlements.

(2) Dans toute poursuite intentée contre tel directeur ou fonctionnaire, c'est à lui qu'il incombe de prouver qu'il n'avait aucune connaissance de l'infraction, qu'il n'y a pas consenti ni a négligé de s'y conformer.

2. Quand de la matière censurable a été imprimée, publiée, exhibée ou représentée dans un établissement quelconque, le propriétaire ou la personne dirigeant ledit établissement ou ses opérations est coupable du délit d'infraction des présents décrets; et si le contrevenant est une compagnie constituée en corporation, chaque directeur ou fonctionnaire qui ne peut établir que la contravention a été commise hors sa connaissance ou malgré sa protestation est coupable, individuellement et conjointement avec la compagnie, d'infraction des présents décrets.

3. (1) Toute personne coupable d'infraction des présents décrets est passible d'une amende n'excédant pas \$5,000, ou d'emprisonnement pour une période n'excédant pas cinq ans, ou d'amende ou d'emprisonnement.

(2) Cette amende peut être recouvrée et cette peine imposée par procédure et conviction sommaires sous l'empire de la Partie XV du Code criminel.

4. Dans toute poursuite contre une personne quelconque pour infraction des présents décrets ladite infraction sera censée avoir été commise soit à l'endroit même où elle l'a réellement été, soit à tout autre endroit où peut se trouver le contrevenant.

5. Les pouvoirs conférés par les présents décrets sont ajoutés et ne dérogent pas aux pouvoirs qu'exercent les membres des forces navales et militaires de Sa Majesté et autres personnes en ce qui concerne les mesures nécessaires à prendre pour assurer la sûreté publique ou la défense du Canada, et rien dans les présents décrets ne peut exempter qui que ce soit de poursuites ou de peines pour un délit ou crime quelconque en rapport avec la guerre sauf conformément aux prescriptions desdits décrets.

6. La loi d'interprétation, chapitre 1 des Statuts révisés du Canada, 1906, s'applique à l'interprétation des présents décrets, sauf lorsqu'elle est incompatible, de la même manière qu'elle s'applique à l'interprétation d'une loi du Parlement.

DÉCRET IV.

*(Révocation des décrets codifiés.)*

Les décrets du conseil désignés à l'annexe "B" des présents décrets sont par ces présentes révoqués quant aux parties indiquées dans ledit annexe. Néanmoins, la révocation d'un de ces décrets du conseil n'affecte en rien:—

(a) l'opération passée d'un décret ainsi révoqué, ou

(c) toute amende, confiscation ou peine encourue pour une infraction d'un décret ainsi révoqué, ou

toute permission accordée, toute instruction ou tout ordre donné, ou toute autre intervention en vertu d'un décret ainsi révoqué seront censés avoir été accordés, donnés, ou décidés respectivement en vertu des dispositions correspondantes des présents décrets.

## ORDERS IN COUNCIL.

[327]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th January, 1917, from the Minister of the Interior, submitting that Mr. Jos. Hewitt went into occupation of the northeast quarter of section 21, township 9, range 3, west of the 2nd meridian, in November, 1885, and erected thereon a house, stable and other improvements.

As this quarter section has since been included in the Moose Mountain Forest Reserve, it is necessary to secure Mr. Hewitt's withdrawal from the land.

The Minister therefore recommends that authority be given under the provisions of the Dominion Lands Act, for the issue of a free patent to Mr. Hewitt for another quarter section, namely the southeast quarter of section 20, township 44, range 3, west of the 2nd meridian, upon his executing a surrender of his interest in the land of which he has been in occupation in the Forest Reserve and upon satisfactory evidence being furnished that he has vacated the land in question.

The Committee concur in the foregoing recommendation and submit the same for approval.

34-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1917, from the Minister of the Interior, submitting that Mr. Frank Ruppert obtained the southeast quarter of Section 16, Township 33, Range 14, west of the 4th Meridian, under pre-emption entry on the 15th June, 1910 ; his appurtenant homestead being the northeast quarter of the same section, for which he obtained patent on the 13th October, 1913.

Since completing his homestead duties, Mr. Ruppert carried on the settlement duties in connection with his pre-emption for one year when, owing to hardships attendant upon his undertaking, rheumatism of a severe form developed in his left hip. He has been undergoing medical treatment and, according to testimony submitted by his medical advisers, it is necessary for him to make use of crutches to go about, and it is represented, moreover, that the nature of Mr. Ruppert's ailment is likely to grow worse instead of better.

Under the circumstances, the Minister recommends that residence duties be dispensed with under subsection 2, of section 20, of The Dominion Lands Act of 1908, and that patent issue upon proof being furnished that the other conditions of the law have been fulfilled, and upon payment being made for the land at the statutory price.

The Committee concur in the foregoing recommendation, and submit the same for approval.

33-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 2nd day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS a large number of civilians has, since the commencement of the War, left Canada to visit the United Kingdom ;

And whereas information in the possession of the Government shows that the cost of living in the United Kingdom, already very high, is still on the increase, and the presence there of many Canadian civilians who are not performing any useful service to the Empire imposes, in the matter of food supply, an unwarranted burden upon the British Government and makes it difficult for many of these visitors to maintain themselves, let alone return to Canada ;

And whereas already a number have succeeded in returning to Canadian ocean ports without funds to reach their homes in Canada ;

And whereas it is probable that, as soon as peace is declared, there will be difficulty in providing accommodation for the return to Canada of Canadian troops, and it will be impossible, with the available tonnage, to provide for the early return of civilians, —

Therefore, His Excellency the Governor General in Council, having regard to the foregoing and with a view to prevent any further exodus of Canadian civilians to the United Kingdom, is pleased, under and in virtue of the provisions of Section 6 of The War Measures Act, 1914, to order, and it is hereby ordered as follows :—

Passports enabling civilians to leave Canada for the United Kingdom shall not, hereafter, be issued until the Department of External Affairs is satisfied that the reasons in favour of the issue of passport are weighty and urgent and until the applicant satisfies the Department of his financial ability to maintain himself in the United Kingdom and to return to Canada.

33-2 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS the Board of Highway Commissioners for the Province of Saskatchewan desires to make a deviation in the highway in the N.W.  $\frac{1}{4}$  of Section 19, Township 17, Range 5, West of the 2nd Meridian, being a part of the surrendered portion of the Cowessess Indian Reserve, No. 73, in the Province of Saskatchewan, the said deviation involving an area of 2.75 acres, as shown on a plan, No. 1635, in the survey branch of the Department of Indian Affairs ;

And whereas an arrangement has been come to between the Department of Indian Affairs and the said Board of Highway Commissioners under which the province might be permitted to make necessary deviations in the ordinary section road allowances in consideration of the fact that the province has abandoned the established trail across the said township ;

Therefore His Excellency the Governor General in Council is pleased to transfer the said 2.75 acres to the Government of the Province of Saskatchewan for deviation of the highway above mentioned, and the said area is hereby transferred accordingly.

Wednesday, the 17th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that an application has been received from Moses Lessard, of Ashcroft, British Columbia, to purchase on irrigation conditions the fractional north half of Section 34, in Township 19, Range 24, west of the 6th Meridian, (containing approximately 250 acres), of which the applicant went into occupation in October, 1913, before the survey thereof ;

The Minister further states that the case was inspected by an engineer of the Hydrographic Survey Office, who reported that the applicant had made a good many improvements to the land, and that there was sufficient cultivable land to justify irrigation and that arrigation of the land could be effected by the applicant—

The Minister therefore recommends that the applicant, Moses Lessard, be permitted to purchase those portions of the north half of Section 34, in Township 19, Range 24, west of the sixth Meridian, which may be successfully irrigated and cultivated by him in a *bona fide* manner, on the following terms and conditions :

- (a) The lands sold to be brought under cultivation by irrigation ;
- (b) The purchase price to be at the rate of five dollars (\$5) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding two dollars (\$2) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows : One dollar (\$1) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5% per annum ;
- (c) The necessary water rights to be secured from the Provincial Government of British Columbia ; no work to be done on the land until preliminary water rights are secured from the province ;
- (d) The work to be commenced within one year from the date of the authorization by Order in

Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior ;

- (e) Examination to be made by engineers of the Department of the Interior on completion of the work ;
- (f) Patent to issue, when conditions completed, for the portions which have been brought under cultivation by irrigation ;
- (g) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.
- (h) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

[102]  
AT THE GOVERNMENT HOUSE AT OTTAWA.  
Monday, the 15th day of January, 1917.

PRESENT :  
HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th January, 1917, from the Minister of the Interior, stating that by an Order in Council, dated the 11th of March, 1910, regulations were established for the disposal of petroleum and natural gas rights, the property of the Crown, under and in accordance with the provisions of section 37 of The Dominion Lands Act.

That in November, 1913, the available petroleum and natural gas rights, the property of the Crown, in portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13 west of the 4th Meridian, containing an approximate area of 55,620 acres, were temporarily withdrawn from disposal under the provisions of the above regulations at the request of the City of Edmonton, in order to secure for that municipality a sufficient supply of natural gas for the use of the people.

That it has now been represented to the Department of the Interior that it is essential to the commercial prosperity of the city that the petroleum and natural gas rights already reserved should not be disposed of to or diverted by outside interests; that the city, while not desiring to exploit the said rights, should be given such control of them as might be necessary to prevent the same from being diverted to other centres of population, and to insure their conservation to the city for its domestic supply, and for the extension and development of its several industries.

Representations have also been made to the Department of the Interior that a very large expenditure has already been incurred in boring for natural gas within this reservation; that gas in commercial quantity has been discovered; and that action is now being taken to pipe the gas to the City of Edmonton, a distance of about eighty-five miles, to be utilized by and on behalf of that municipality.

As it would appear to be in the public interest that the petroleum and natural gas rights, the property of the Crown, within the limits of the reservation above referred to, should be conserved for the use of the City of Edmonton, the Minister recommends that he be authorized to withdraw for the present from disposal the available petroleum and natural gas rights within the tract, comprising portions of Townships 46, 47, 48 and 49, in Ranges 10, 11, 12 and 13, west of the 4th Initial Meridian, shown outlined in *pink* on the plan hereto attached, upon the following terms and conditions:

1. That the withdrawal at the instance of the City of Edmonton of the petroleum and natural gas rights, the property of the Crown, in the above area, shall not apply to lands which have been set apart as School lands in accordance with the provisions of the Dominion Lands Act;
2. That the withdrawal from disposal under the provisions of the regulations of the available petroleum and natural gas rights under the lands described will not operate as an obstacle to the disposal by the Crown of other mining rights under these lands;
3. That the City of Edmonton be required to immediately obtain a lease under and in accordance with the provisions of the regulations of each quarter section within the reservation upon which a well has been bored by on behalf of the municipality with a view to the discovery of petroleum or natural gas;
4. That the City of Edmonton, before commencing in the future boring or other operations with a view to the discovery or development of petroleum or natural gas on any lands included in the above reservation, shall apply for and obtain a lease of such rights in accordance with the provisions of the regulations in that behalf;
5. That upon receipt in the Department of the Interior of advice from the municipal council of the City of Edmonton that any parcel of land within

the limits of the reservation is no longer required for municipal purposes, the Minister of the Interior may declare that the rights so relinquished are withdrawn from the reservation, and are open to application under and in accordance with the provisions of the regulations and the practice of the Department;

6. That the City of Edmonton shall be given a period of two years from the date hereof, within which to select and obtain leases under the provisions of the regulations of the available petroleum and natural gas rights within the limits of the above reservation, and at the expiration of the said period of two years the reservation will terminate, and any petroleum and natural gas rights within the limits of such reservation which have not in the meantime been selected and leased shall revert to the Crown for disposal under and in accordance with the provisions of the regulations in that behalf.

The Committee concur in the foregoing recommendation and submit the same for approval.

**T**HE Committee of the Privy Council have had before them a report, dated 26th December, 1916, from the Minister of the Interior, submitting that, in pursuance of the provisions of The Dominion Lands Act, title to section 8, Township 5, Range 28, west of the 4th Meridian, was vested in the Hudson's Bay Company by notification of the confirmation of the survey of the township.

The Minister states that—as there is some doubt whether such notification was effective in passing the title to the said Company, as was intended, of those portions of the said section 8 as are covered by the waters of a certain surveyed lake,—the Commissioner of the Hudson's Bay Company has applied for the issue of a supplementary grant to the Company, by letters patent of the lands in the east half of said section 8 shown on the plan of survey as covered by the waters of the surveyed lake.

The Minister is of the opinion that the request should be complied with, and he therefore recommends that the issue of letters patent be authorized to the Hudson's Bay Company of all those portions of the east half of Section 8, Township 5, Range 28, west of the 4th Meridian as are covered by the waters of a certain surveyed lake, as shown upon a plan of survey of the said township, approved and confirmed at Ottawa on the 1st day of March, A.D. 1888, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement twenty-seven acres more or less.

**T**HE Committee of the Privy Council have had before them a report, dated 29th January, 1917, from the Minister of the Interior, stating that application has been made by Mr. Louis Felix Cardinal of Fort Vermilion, in the Province of Alberta, for a free grant of the fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, West of the Fifth Meridian, lying south of Peace River, of the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

The Minister observes that evidence has been submitted showing the applicant to have been in actual occupation of the land at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of Section 76 of The Dominion Lands Act, a free grant of 160 acres of the said fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, west of the Fifth Meridian, lying south of Peace River, in the Province of Alberta, be authorized to Mr. Cardinal, and that he be permitted to purchase the excess area of 3.70 acres at the rate of \$3 an acre.

The Committee of the Privy Council has had before them a report, dated 27th January, 1917, from the Minister of the Interior, stating that William Thorburn was permitted to obtain entry for the south-west quarter of Section 13, Township 28, Range 22, west of the 2nd Meridian, on the 30th May, 1910.

It would appear from evidence furnished that Mr. Thorburn has broken  $8\frac{1}{2}$  acres on this quarter-section, and that he performed about eighteen months residence on land in the vicinity before having to return to Ontario on account of illness.

The Minister submits the annexed copy of a Medical Certificate from James A. Baker, M.B., stating that Mr. Thorburn is suffering from a form of paralysis.

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in this case under the authority of sub-section 2, of section 20, of the Act, so that free patent may be issued to Mr. Thorburn for the quarter-section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

#### CIVIL SERVICE COMMISSION OF CANADA.

##### EXAMINATION FOR ENTRANCE TO THE ROYAL NAVAL COLLEGE OF CANADA.

**PUBLIC** Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 16th May, 1917, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career.

Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held at the same time as the examination for entrance to the Royal Naval College. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 16th April, 1917. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
  - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Clerk of the Senate.
